

2023 Kansas Statutes

19-1407. Records of surveyor. The county surveyor shall keep records to show the following:

- (a) A plat of each boundary survey made by the county surveyor, which shall be in accordance with Kansas law in effect at the time such survey is made;
- (b) a full set of field notes, setting forth the distance and direction of all courses, and recording the stations of all permanent fences and boundaries and of such existing landmarks as will allow a complete study of the property, from such record;
- (c) reference reports prepared by the county surveyor, such surveyor's deputies and other land surveyors pursuant to K.S.A. 58-2011, and amendments thereto.

History: G.S. 1868, ch. 25, § 159; R.S. 1923, 19-1407; L. 1961, ch. 136, § 1; L. 2011, ch. 49, § 3; July 1.
