On motion of Senator Brungardt the following report was adopted:

Recommended **HB 2792** be amended by the adoption of the committee amendments, and **HB 2792** be passed as amended.

HB 2453 be amended by motion of Senator McGinn, on page 3, following line 3, by inserting the following:

"Sec. 6. On January 1, 2013, K.S.A. 2011 Supp. 75-3739 is hereby amended to read as follows: 75-3739. In the manner as provided in this act and rules and regulations established thereunder:

(a) All contracts for construction and repairs, and all purchases of and contracts for

supplies, materials, equipment and contractual services to be acquired for state agencies shall be based on competitive bids, except that competitive bids need not be required in the following instances:

(1) For contractual services, supplies, materials, or equipment when, in the judgment of the director of purchases, no competition exists;

(2) when, in the judgment of the director of purchases, chemicals and other material or equipment for use in laboratories or experimental studies by state agencies are best purchased without competition, or where rates are fixed by law or ordinance;

(3) when, in the judgment of the director of purchases, an agency emergency requires immediate delivery of supplies, materials or equipment, or immediate performance of services;

(4) when any statute authorizes another procedure or provides an exemption from the provisions of this section;

(5) when compatibility with existing contractual services, supplies, materials or equipment is the overriding consideration;

(6) when a used item becomes available and is subject to immediate sale; or

(7) when, in the judgment of the director of purchases and the head of the acquiring state agency, not seeking competitive bids is in the best interest of the state.

When the director of purchases approves a purchase of or contract for supplies, materials, equipment, or contractual services in any instance specified in this subsection, the director may delegate authority to make the purchase or enter the contract under conditions and procedures prescribed by the director. Except for purchases or contracts entered into without a competitive bid under subsection (a)(3), (a)(4), (a)(6) or subsection (h), no purchase or contract entered into without a competitive bid for an amount in excess of \$100,000 shall be entered into by the head of any state agency or approved by the director of purchases unless the director of purchases first posts an on-line notice of the proposed purchase or contract at least seven days before the purchase or contract is awarded. The director of purchases shall provide notice thereof to members of the legislature at the beginning of each calendar year that such information will be posted and the director of the division of purchases shall provide the uniform resource locator (URL) and the number of times such information shall be available. In the event a written protest of the awarding of such a contract occurs during the seven-day notice period, the director of purchases shall request from the protestor the contact information, including name and mailing address, of the person or entity that has expressed an interest in supplying the goods or services and provide a copy of the specification to the person or entity that has expressed an interest in supplying the goods or services and verify that such person or entity is interested and capable of supplying such goods or services.

Upon satisfaction of the director of purchases regarding the validity of the protest and the existence of competition, the director of purchases shall proceed with a competitive procurement. A competitive procurement shall not be required when, in the judgment of the director of purchases, the validity of the protest cannot be determined or competition for such goods or services cannot be verified by the director of purchases.

The director of purchases shall prepare a detailed report at least once in each calendar quarter of all contracts over \$5,000 entered into without competitive bids under subsection (a)(1), (2), (3), (5), (6) or (7). The director shall submit the report to the legislative coordinating council, the chairperson of the committee on ways and means

of the senate and the chairperson of the committee on appropriations of the house of representatives.

(b) (1) If the amount of the purchase is estimated to exceed \$50,000, sealed bids shall be solicited by notice published once in the Kansas register not less than 10 days before the date stated in the notice for the opening of the bids. The director of purchases may waive this publication of notice requirement when the director determines that a more timely procurement is in the best interest of the state. The director of purchases also may designate a trade journal for the publication. The director of purchases also shall solicit such bids by sending notices by mail to prospective bidders and by posting the notice on a public bulletin board for at least 10 business days before the date stated in the notice for the opening of the bids unless otherwise provided by law. All bids shall be sealed when received and shall be opened in public at the hour stated in the notice.

(2) The director of purchases shall prepare a detailed report at least once in each calendar quarter of all instances in which the director waived publication of the notice of bid solicitations in the Kansas register as provided in this subsection. The director shall submit the report to the legislative coordinating council, the chairperson of the committee on ways and means of the senate and the chairperson of the committee on appropriations of the house of representatives.

(c) All purchases estimated to exceed approximately \$25,000 but not more than \$50,000, shall be made after receipt of sealed bids following at least three days' notice posted on a public bulletin board.

(d) All purchases estimated to be more than \$5,000, but less than \$25,000, may be made after the receipt of three or more bid solicitations by telephone, telephone facsimile or sealed bid, following at least three days' notice posted on a public bulletin board. Such bids shall be recorded as provided in subsection ~~(e)~~(f) of K.S.A. 75-3740, and amendments thereto. Any purchase that is estimated to be less than \$5,000 may be purchased under conditions and procedures prescribed by the director of purchases. Purchases made in compliance with such conditions and procedures shall be exempt from other provisions of this section.

(e) With the approval of the secretary of administration, the director of purchases may delegate authority to any state agency to make purchases of less than \$25,000 under certain prescribed conditions and procedures. The director of purchases shall prepare a report at least once in each calendar quarter of all current and existing delegations of authority to state agencies as provided in this subsection. The director shall submit the report to the legislative coordinating council, the chairperson of the committee on ways and means of the senate and the chairperson of the committee on appropriations of the house of representatives.

(f) Subject to the provisions of subsection (e), contracts and purchases shall be based on specifications approved by the director of purchases. When deemed applicable and feasible by the director of purchases, such specifications shall include either energy efficiency standards or appropriate life cycle cost formulas, or both, for all supplies, materials, equipment and contractual services to be purchased by the state. The director of purchases may reject a contract or purchase on the basis that a product is manufactured or assembled outside the United States. No such specifications shall be fixed in a manner to effectively exclude any responsible bidder offering comparable supplies, materials, equipment or contractual services.

(g) Notwithstanding anything herein to the contrary, all contracts with independent

construction concerns for the construction, improvement, reconstruction and maintenance of the state highway system and the acquisition of rights-of-way for state highway purposes shall be advertised and let as now or hereafter provided by law.

(h) The director of purchases may authorize state agencies to contract for services and materials with other state agencies, or with federal agencies, political subdivisions of Kansas, agencies of other states or subdivisions thereof, or private nonprofit educational institutions, without competitive bids.

(i) The director of purchases may participate in, sponsor, conduct, or administer a cooperative purchasing agreement or consortium for purchases of supplies, materials, equipment, and contractual services with federal agencies or agencies of other states or local units of government. Cooperative purchasing agreements entered into under this subsection shall not be subject to K.S.A. 75-3739 through 75-3740a, and amendments thereto.

(j) The director of purchases may delegate authority to any state agency to make purchases under certain prescribed conditions and procedures when the acquisition is funded, in whole or in part, from a grant. Except as otherwise provided in subsection (k) of this section, purchases made in compliance with such conditions and procedures shall be exempt from other provisions of this section. As used in this subsection the term "grant" means a disbursement made from federal or private funds, or a combination of these sources, to a state agency. Nothing in this subsection shall allow federal grant moneys to be handled differently from any other moneys of the state unless the requirements of the applicable federal grant specifically require such federal moneys to be handled differently.

(k) The director of purchases shall prepare a detailed report at least once each calendar quarter of all contracts over \$5,000 for services, supplies, materials or equipment entered into pursuant to subsection (h), (i) or (j) and submit it to the legislative coordinating council, the chairperson of the committee on ways and means of the senate and the chairperson of the committee on appropriations of the house of representatives.

(l) Except as otherwise specifically provided by law, no state agency shall enter into any lease of real property without the prior approval of the secretary of administration. A state agency shall submit to the secretary of administration such information relating to any proposed lease of real property as the secretary may require. The secretary of administration shall either approve, modify and approve or reject any such proposed lease.

(m) The director of purchases shall require all bidders on state contracts to disclose all substantial interests held by the bidder in the state.

(n) As used in article 37 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto, and other statutory provisions concerning state procurement, "sealed bids," "bulletin boards" and "mail" shall include electronic bids, electronic bulletin boards and electronic mail when such items are utilized in accordance with procedures prescribed by the director of purchases.

Sec. 7. On January 1, 2013, K.S.A. 2011 Supp. 75-3740 is hereby amended to read as follows: 75-3740. (a) Except as provided by subsection (b) and K.S.A. 75-3740b, and amendments thereto, all contracts and purchases made by or under the supervision of the director of purchases or any state agency for which competitive bids are required shall be awarded to the lowest responsible bidder, taking into consideration conformity

with the specifications, terms of delivery, and other conditions imposed in the call for bids.

(b) A contract shall be awarded to a certified business which is also a responsible bidder, whose total bid cost is not more than 10% higher than the lowest competitive bid. Such contract shall contain a promise by the certified business that the percentage of employees that are individuals with disabilities will be maintained throughout the contract term and a condition that the certified business shall not subcontract for goods or services in an aggregate amount of more than 25% of the total bid cost.

~~(b)(c)~~ The director of purchases shall have power to decide as to the lowest responsible bidder for all purchases, but if:

(1)(A) A responsible bidder purchases from a qualified vendor goods or services on the list certified by the director of purchases pursuant to K.S.A. 75-3317 et seq., and amendments thereto, the dollar amount of such purchases made during the previous fiscal year shall be deducted from the original bid received from such bidder for the purpose of determining the lowest responsible bid, except that such deduction shall not exceed 10% of the original bid received from such bidder; or

(B) a responsible bidder purchases from a certified business the dollar amount of such purchases made during the previous fiscal year shall be deducted from the original bid received from such bidder for the purpose of determining the lowest responsible bid, except that such deduction shall not exceed 10% of the original bid received from such bidder;

~~(1)(2)~~ The dollar amount of the bid received from the lowest responsible bidder from within the state is identical to the dollar amount of the bid received from the lowest responsible bidder from without the state, the contract shall be awarded to the bidder from within the state; and

~~(2)(3)~~ in the case of bids for paper products specified in K.S.A. 75-3740b, and amendments thereto, the dollar amounts of the bids received from two or more lowest responsible bidders are identical, the contract shall be awarded to the bidder whose bid is for those paper products containing the highest percentage of recycled materials.

~~(e)(d)~~ Any or all bids may be rejected, and a bid shall be rejected if it contains any material alteration or erasure made after the bid is opened. The director of purchases may reject the bid of any bidder who is in arrears on taxes due the state, who is not properly registered to collect and remit taxes due the state or who has failed to perform satisfactorily on a previous contract with the state. The secretary of revenue is hereby authorized to exchange such information with the director of purchases as is necessary to effectuate the preceding sentence notwithstanding any other provision of law prohibiting disclosure of the contents of taxpayer records or information. Prior to determining the lowest responsible bidder on contracts for construction of buildings or for major repairs or improvements to buildings for state agencies, the director of purchases shall consider: (1) The criteria and information developed by the secretary of administration, with the advice of the state building advisory commission to rate contractors on the basis of their performance under similar contracts with the state, local governmental entities and private entities, in addition to other criteria and information available, and (2) the recommendations of the project architect, or, if there is no project architect, the recommendations of the secretary of administration or the agency architect for the project as provided in K.S.A. 75-1254, and amendments thereto. In any case where competitive bids are required and where all bids are rejected, new bids shall

be called for as in the first instance, unless otherwise expressly provided by law or the state agency elects not to proceed with the procurement.

~~(d)~~(e) Before the awarding of any contract for construction of a building or the making of repairs or improvements upon any building for a state agency, the director of purchases shall receive written approval from the state agency for which the building construction project has been approved, that the bids generally conform with the plans and specifications prepared by the project architect, by the secretary of administration or by the agency architect for the project, as the case may be, so as to avoid error and mistake on the part of the contractors. In all cases where material described in a contract can be obtained from any state institution, the director of purchases shall exclude the same from the contract.

~~(e)~~(f) All bids with the names of the bidders and the amounts thereof, together with all documents pertaining to the award of a contract, shall be made a part of a file or record and retained by the director of purchases for five years, unless reproduced as provided in K.S.A. 75-3737, and amendments thereto, and shall be open to public inspection at all reasonable times.

~~(f)~~ As used in this section and in K.S.A. 75-3741, and amendments thereto, "project architect" shall have the meaning ascribed thereto in K.S.A. 75-1251, and amendments thereto.

During such supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a department of social and rehabilitation services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(7) a person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, or an ordinance which prohibits the acts of

this section, only once during the person's lifetime.

(l) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance. For the purpose of this subsection, entering into a diversion agreement pursuant to K.S.A. 12-4413 et seq. or 22-2906 et seq., and amendments thereto, shall not constitute plea bargaining.

(n) On and after July 1, 2012, the amount of \$250 from each fine imposed pursuant to this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon

The person convicted, if placed into a work release program, shall serve a minimum of 120 hours of confinement. Such 120 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender's work day. The court may place the person convicted under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto, to serve the ~~remainder of the minimum sentence~~ five days' imprisonment mandated by this subsection only after such person has served 48 consecutive hours' imprisonment. The court shall determine whether the offender, upon release from imprisonment, shall be supervised by community correctional services or court services based upon the risk and needs of the offender. The risk and needs of the offender shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. The law enforcement agency maintaining custody and control of a defendant for imprisonment shall cause a certified copy of the judgment form or journal entry to be sent to the supervision office designated by the court and upon expiration of the term of imprisonment shall deliver the defendant to a location designated by the supervision office designated by the court. After the term of imprisonment imposed by the court, the person shall be placed on supervision to community correctional services or court services, as determined by the court, for a mandatory one-year period of supervision, which such period of supervision shall not be reduced. During such supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a department of social and rehabilitation services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the social and rehabilitation services department designated treatment provider and the offender. This imprisonment shall be served consecutively to any other minimum mandatory penalty imposed for a violation of this section, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) If a person is charged with a violation of this section involving drugs, the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(f) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(g) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the: (1) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and (2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(h) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of this section to the division. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the: (1) Division a record of all prior convictions obtained against such person for any violation of any of the motor vehicle laws of this state; and (2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(i) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall: (1) Disqualify the person from driving a commercial motor vehicle under K.S.A. 8-2,142, and amendments thereto; and (2) suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(j) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this section as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not

be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(k) (1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the: (A) Division of vehicles a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and (B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution. The county or district attorney shall accept such referral and pursue a disposition of such violation, and shall not refer any such violation back to the city attorney.

(l) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance or resolution.

(m) The alternatives set out in subsections (a)(1), (a)(2) and (a)(3) may be pleaded in the alternative, and the state, city or county may, but shall not be required to, elect one or two of the three prior to submission of the case to the fact finder.

(n) For the purpose of determining whether a conviction is a first, second, third or subsequent conviction in sentencing under this section:

~~(1) "Conviction" includes being convicted of a violation of a law of another state or an ordinance of any city, or resolution of any county, which prohibits the acts that this section prohibits;~~

~~(2) any convictions occurring during a person's lifetime shall be taken into account when determining the sentence to be imposed for a first, second, third or subsequent offender; and~~

~~(3) it is irrelevant whether an offense occurred before or after conviction for a previous offense.~~

(1) Convictions for a violation of K.S.A. 8-1567, and amendments thereto, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that such section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person's lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense.

(2) any convictions for a violation of the following sections occurring during a

person's lifetime shall be taken into account: (A) This section; (B) refusing to submit to a test to determine the presence of alcohol or drugs, section 2, and amendments thereto; (C) operating a vessel under the influence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto; (D) involuntary manslaughter while driving under the influence of alcohol or drugs, K.S.A. 21-3442, prior to its repeal, or subsection (a)(3) of K.S.A. 2011 Supp. 21-5405, and amendments thereto; and (E) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(3) "conviction" includes: (A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of a crime described in subsection (n)(2); (B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another state which would constitute a crime described in subsection (n)(1) or (n)(2); and (C) receiving punishment under the uniform code of military justice or Kansas code of military justice for an act which was committed on a military reservation and which would constitute a crime described in subsection (n)(1) or (n)(2) if committed off a military reservation in this state;

(4) it is irrelevant whether an offense occurred before or after conviction for a previous offense; and

(5) multiple convictions of any crime described in subsection (n)(1) or (n)(2) arising from the same arrest shall only be counted as one conviction.

(o) For the purpose of this section:

(1) "Alcohol concentration" means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath;

(2) "imprisonment" shall include any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city; and

(3) "drug" includes toxic vapors as such term is defined in K.S.A. 2011 Supp. 21-5712, and amendments thereto.

(p) On and after July 1, 2011, the amount of \$250 from each fine imposed pursuant to this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall credit the entire amount to the community corrections supervision fund established by K.S.A. 2011 Supp. 75-52,113, and amendments thereto.

Sec. 12. K.S.A. 2011 Supp. 8-1001 is hereby amended to read as follows: 8-1001.

(a) Any person who operates or attempts to operate a vehicle within this state is deemed to have given consent, subject to the provisions of this act, to submit to one or more tests of the person's blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing deemed consented to herein shall include all quantitative and qualitative tests for alcohol and drugs. A person who is dead or unconscious shall be deemed not to have withdrawn the person's consent to such test or tests, which shall be administered in the manner provided by this section.

(b) A law enforcement officer shall request a person to submit to a test or tests deemed consented to under subsection (a): (1) If the officer has reasonable grounds to believe the person was operating or attempting to operate a vehicle while under the

influence of alcohol or drugs, or both, or to believe that the person was driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, or was under the age of 21 years while having alcohol or other drugs in such person's system; and one of the following conditions exists: (A) The person has been arrested or otherwise taken into custody for any offense involving operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both, or for a violation of K.S.A. 8-1567a, and amendments thereto, or involving driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, in violation of a state statute or a city ordinance; or (B) the person has been involved in a vehicle accident or collision resulting in property damage or personal injury other than serious injury; or (2) if the person was operating or attempting to operate a vehicle and such vehicle has been involved in an accident or collision resulting in serious injury or death of any person and the operator could be cited for any traffic offense, as defined in K.S.A. 8-2117, and amendments thereto. The traffic offense violation shall constitute probable cause for purposes of paragraph (2). The test or tests under paragraph (2) shall not be required if a law enforcement officer has reasonable grounds to believe the actions of the operator did not contribute to the accident or collision. The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the accident investigation or arrest.

(c) If a law enforcement officer requests a person to submit to a test of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by: (1) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the direction of any such licensed person; (2) a registered nurse or a licensed practical nurse; (3) any qualified medical technician, including, but not limited to, an emergency medical technician-intermediate, mobile intensive care technician, an emergency medical technician-intermediate defibrillator, an advanced emergency medical technician or a paramedic, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol; or (4) a phlebotomist.

(d) A law enforcement officer may direct a medical professional described in this section to draw a sample of blood from a person:

- (1) If the person has given consent and meets the requirements of subsection (b);
- (2) if medically unable to consent, if the person meets the requirements of paragraph (2) of subsection (b); or
- (3) if the person refuses to submit to and complete a test, if the person meets the requirements of paragraph (2) of subsection (b).

(e) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person's life, cause serious injury to the person or seriously impede the person's medical assessment, care or treatment. The medical professional authorized herein to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawing of blood once presented with the written statement provided

for under this subsection. The medical professional shall not require the person to sign any additional consent or waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent.

(f) Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document provided by law enforcement.

(g) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person's safety or that of the medical professional or attending medical or health care staff during the drawing of the sample and without interfering with medical treatment.

(h) A law enforcement officer may request a urine sample upon meeting the requirements of paragraph (1) of subsection (b) and shall request a urine sample upon meeting the requirements of paragraph (2) of subsection (b).

(i) If a law enforcement officer requests a person to submit to a test of urine under this section, the collection of the urine sample shall be supervised by: (1) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the direction of any such licensed person; (2) a registered nurse or a licensed practical nurse; or (3) a law enforcement officer of the same sex as the person being tested. The collection of the urine sample shall be conducted out of the view of any person other than the persons supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer. The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence. If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (d) and (e) shall apply to the collection of a urine sample.

(j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

(k) Before a test or tests are administered under this section, the person shall be given oral and written notice that: (1) Kansas law requires the person to submit to and complete one or more tests of breath, blood or urine to determine if the person is under the influence of alcohol or drugs, or both;

(2) the opportunity to consent to or refuse a test is not a constitutional right;

(3) there is no constitutional right to consult with an attorney regarding whether to submit to testing;

(4) if the person refuses to submit to and complete any test of breath, blood or urine hereafter requested by a law enforcement officer, the person may be charged with a separate crime of refusing to submit to a test to determine the presence of alcohol or drugs, which carries criminal penalties that are greater than or equal to the criminal penalties for the crime of driving under the influence, if such person has:

(A) Any prior test refusal as defined in K.S.A. 8-1013, and amendments thereto, which occurred: (i) On or after July 1, 2001; and (ii) when such person was 18 years of

age or older; or

(B) any prior conviction for a violation of K.S.A. 8-1567 or 8-2,144, and amendments thereto, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that such section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, which occurred: (i) On or after July 1, 2001; and (ii) when such person was 18 years of age or older;

(4)(5) if the person refuses to submit to and complete any test of breath, blood or urine hereafter requested by a law enforcement officer, the person's driving privileges will be suspended for one year for the first or subsequent occurrence;

(5)(6) if the person submits to and completes the test or tests and the test results show:

(A) An alcohol concentration of .08 or greater, the person's driving privileges will be suspended for 30 days for the first occurrence and one year for the second or subsequent occurrence; or

(B) an alcohol concentration of .15 or greater, the person's driving privileges will be suspended for one year for the first or subsequent occurrence;

~~(6) if the person is less than 21 years of age at the time of the test request and submits to and completes the tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for one year;~~

(7) refusal to submit to testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both;

(8) the results of the testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both; and

(9) after the completion of the testing, the person has the right to consult with an attorney and may secure additional testing, which, if desired, should be done as soon as possible and is customarily available from medical care facilities willing to conduct such testing.

(l) If a law enforcement officer has reasonable grounds to believe that the person has been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, the person shall also be provided the oral and written notice pursuant to K.S.A. 8-2,145, and amendments thereto. Any failure to give the notices required by K.S.A. 8-2,145, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section. If a law enforcement officer has reasonable grounds to believe that the person has been driving or attempting to drive a vehicle while having alcohol or other drugs in such person's system and such person was under 21 years of age, the person also shall be given the notices required by K.S.A. 8-1567a, and amendments thereto. Any failure to give the notices required by K.S.A. 8-1567a, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section.

(m) After giving the foregoing information, a law enforcement officer shall request the person to submit to testing. The selection of the test or tests shall be made by the officer. If the test results show a blood or breath alcohol concentration of .08 or greater, the person's driving privileges shall be subject to suspension, or suspension and

restriction, as provided in K.S.A. 8-1002 and 8-1014, and amendments thereto.

(n) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both. The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged violation of section 2, and amendments thereto.

(o) If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .04 or greater, the person shall be disqualified from driving a commercial motor vehicle, pursuant to K.S.A. 8-2,142, and amendments thereto. If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .08 or greater, or the person refuses a test, the person's driving privileges shall be subject to suspension, or suspension and restriction, pursuant to this section, in addition to being disqualified from driving a commercial motor vehicle pursuant to K.S.A. 8-2,142, and amendments thereto.

(p) An officer shall have probable cause to believe that the person operated a vehicle while under the influence of alcohol or drugs, or both, if the vehicle was operated by such person in such a manner as to have caused the death of or serious injury to a person. (4) Any personal property in a vehicle impounded or immobilized pursuant to this subsection may be retrieved prior to or during the period of such impoundment or immobilization.

(5) As used in this subsection, the convicted person's motor vehicle or vehicles shall include any vehicle leased by such person. (14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 2011 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the

court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (d) of K.S.A. 2011 Supp. 21-6602, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2011 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated,

and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto, or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment

voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2011 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 2011 Supp. 21-6805, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2011 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2011 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2011 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 2011 Supp. 21-6805, and amendments thereto. For those offenders who are convicted on or after July 1, 2003, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or

disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2011 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the

judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" means the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2011 Supp. 22-4616, and amendments thereto, the court shall require the defendant to undergo a domestic violence offender assessment and follow all recommendations unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence assessment and any other evaluation to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2011 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

Sec. 29. K.S.A. 2011 Supp. 21-6609, as amended by section 5 of 2012 House Bill No. 2535 is hereby amended to read as follows: 21-6609. (j) An offender violating the provisions of K.S.A. 8-1567, and amendments thereto, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender's location. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed under house arrest shall serve a total of 120 hours of confinement within the boundaries of the offender's residence. ~~Any exceptions to remaining within the boundaries of the offender's residence provided for in the house arrest agreement shall not be counted as part of the 120 hours. LEGEND

Presumptive Probation
Presumptive Fine
Presumptive Imprisonment

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;
(B) maximum potential reduction to such sentence as a result of good time; and
(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and
(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of K.S.A. 2011 Supp. 21-5412, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (l) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2011 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2011 Supp. 21-5823, 21-6412 and 21-6416, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 2011 Supp. 21-6807, and amendments thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2011 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2011 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of section 2, K.S.A. 8-2,144, K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2011 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2011 Supp. 21-5823, 21-6412 and 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of section 2 or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2011 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization,

association or group of three or more persons, whether formal or informal, having as one of its primary activities:

- (A) The commission of one or more person felonies; or
 - (B) the commission of felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, ~~and amendments thereto prior to their transfer~~, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009; and

- (m) The sentence for a violation of K.S.A. 22-4903 or subsection (a)(2) of K.S.A. 2011 Supp. 21-5913, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence as provided in subsection (q).

- (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 2011 Supp. 21-6824, and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

- (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the

applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of subsection (c)(2) of K.S.A. 2011 Supp. 21-5413, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2011 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

(u) The sentence for a violation of K.S.A. 2011 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2011 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-4018, prior to its repeal, or K.S.A. 2011 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

Sec. 31. K.S.A. 2011 Supp. 22-2802 is hereby amended to read as follows: 22-2802. (1) Any person charged with a crime shall, at the person's first appearance before a magistrate, be ordered released pending preliminary examination or trial upon the execution of an appearance bond in an amount specified by the magistrate and sufficient to assure the appearance of such person before the magistrate when ordered and to assure the public safety. If the person is being bound over for a felony, the bond shall also be conditioned on the person's appearance in the district court or by way of a two-

way electronic audio-video communication as provided in subsection (14) at the time required by the court to answer the charge against such person and at any time thereafter that the court requires. Unless the magistrate makes a specific finding otherwise, if the person is being bonded out for a person felony or a person misdemeanor, the bond shall be conditioned on the person being prohibited from having any contact with the alleged victim of such offense for a period of at least 72 hours. The magistrate may impose such of the following additional conditions of release as will reasonably assure the appearance of the person for preliminary examination or trial:

(a) Place the person in the custody of a designated person or organization agreeing to supervise such person;

(b) place restrictions on the travel, association or place of abode of the person during the period of release;

(c) impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody during specified hours;

(d) place the person under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto; or

(e) place the person under the supervision of a court services officer responsible for monitoring the person's compliance with any conditions of release ordered by the magistrate. The magistrate may order the person to pay for any costs associated with the supervision provided by the court services department in an amount not to exceed \$15 per week of such supervision. The magistrate may also order the person to pay for all other costs associated with the supervision and conditions for compliance in addition to the \$15 per week.

(2) In addition to any conditions of release provided in subsection (1), for any person charged with a felony, the magistrate may order such person to submit to a drug and alcohol abuse examination and evaluation in a public or private treatment facility or state institution and, if determined by the head of such facility or institution that such person is a drug or alcohol abuser or is incapacitated by drugs or alcohol, to submit to treatment for such drug or alcohol abuse, as a condition of release.

(3) The appearance bond shall be executed with sufficient solvent sureties who are residents of the state of Kansas, unless the magistrate determines, in the exercise of such magistrate's discretion, that requiring sureties is not necessary to assure the appearance of the person at the time ordered.

(4) A deposit of cash in the amount of the bond may be made in lieu of the execution of the bond pursuant to subsection (3). Except as provided in subsection (5), such deposit shall be in the full amount of the bond and in no event shall a deposit of cash in less than the full amount of bond be permitted. Any person charged with a crime who is released on a cash bond shall be entitled to a refund of all moneys paid for the cash bond, after deduction of any outstanding restitution, costs, fines and fees, after the final disposition of the criminal case if the person complies with all requirements to appear in court. The court may not exclude the option of posting bond pursuant to subsection (3).

(5) Except as provided further, the amount of the appearance bond shall be the same whether executed as described in subsection (3) or posted with a deposit of cash as described in subsection (4). When the appearance bond has been set at \$2,500 or less and the most serious charge against the person is a misdemeanor, a severity level 8, 9 or

10 nonperson felony, a drug severity level 4 felony or a violation of K.S.A. 8-1567 or section 2, and amendments thereto, the magistrate may allow the person to deposit cash with the clerk in the amount of 10% of the bond, provided the person meets at least the following qualifications:

- (A) Is a resident of the state of Kansas;
- (B) has a criminal history score category of G, H or I;
- (C) has no prior history of failure to appear for any court appearances;
- (D) has no detainer or hold from any other jurisdiction;
- (E) has not been extradited from, and is not awaiting extradition to, another state; and
- (F) has not been detained for an alleged violation of probation.

(6) In the discretion of the court, a person charged with a crime may be released upon the person's own recognizance by guaranteeing payment of the amount of the bond for the person's failure to comply with all requirements to appear in court. The release of a person charged with a crime upon the person's own recognizance shall not require the deposit of any cash by the person.

(7) The court shall not impose any administrative fee.

(8) In determining which conditions of release will reasonably assure appearance and the public safety, the magistrate shall, on the basis of available information, take into account the nature and circumstances of the crime charged; the weight of the evidence against the defendant; whether the defendant is lawfully present in the United States; the defendant's family ties, employment, financial resources, character, mental condition, length of residence in the community, record of convictions, record of appearance or failure to appear at court proceedings or of flight to avoid prosecution; the likelihood or propensity of the defendant to commit crimes while on release, including whether the defendant will be likely to threaten, harass or cause injury to the victim of the crime or any witnesses thereto; and whether the defendant is on probation or parole from a previous offense at the time of the alleged commission of the subsequent offense.

(9) The appearance bond shall set forth all of the conditions of release.

(10) A person for whom conditions of release are imposed and who continues to be detained as a result of the person's inability to meet the conditions of release shall be entitled, upon application, to have the conditions reviewed without unnecessary delay by the magistrate who imposed them. If the magistrate who imposed conditions of release is not available, any other magistrate in the county may review such conditions.

(11) A magistrate ordering the release of a person on any conditions specified in this section may at any time amend the order to impose additional or different conditions of release. If the imposition of additional or different conditions results in the detention of the person, the provisions of subsection (10) shall apply.

(12) Statements or information offered in determining the conditions of release need not conform to the rules of evidence. No statement or admission of the defendant made at such a proceeding shall be received as evidence in any subsequent proceeding against the defendant.

(13) The appearance bond and any security required as a condition of the defendant's release shall be deposited in the office of the magistrate or the clerk of the court where the release is ordered. If the defendant is bound to appear before a magistrate or court other than the one ordering the release, the order of release, together

with the bond and security shall be transmitted to the magistrate or clerk of the court before whom the defendant is bound to appear.

(14) Proceedings before a magistrate as provided in this section to determine the release conditions of a person charged with a crime including release upon execution of an appearance bond may be conducted by two-way electronic audio-video communication between the defendant and the judge in lieu of personal presence of the defendant or defendant's counsel in the courtroom in the discretion of the court. The defendant may be accompanied by the defendant's counsel. The defendant shall be informed of the defendant's right to be personally present in the courtroom during such proceeding if the defendant so requests. Exercising the right to be present shall in no way prejudice the defendant.

(15) The magistrate may order the person to pay for any costs associated with the supervision of the conditions of release of the appearance bond in an amount not to exceed \$15 per week of such supervision. As a condition of sentencing under K.S.A. 2011 Supp. 21-6604, and amendments thereto, the court may impose the full amount of any such costs in addition to the \$15 per week, including, but not limited to, costs for treatment and evaluation under subsection (2).

Sec. 32. K.S.A. 2011 Supp. 22-2908 is hereby amended to read as follows: 22-2908. If the defendant has previously participated in one or more diversions for violations of article 10 of chapter 32 of the Kansas Statutes Annotated, and amendments thereto, then each subsequent diversion shall carry the same penalties as the conviction for the corresponding violations.

Sec. 33. K.S.A. 2011 Supp. 22-2909 is hereby amended to read as follows: 22-2909. (a) A diversion agreement shall provide that if the defendant fulfills the obligations of the program described therein, as determined by the attorney general or county or district attorney, such attorney shall act to have the criminal charges against the defendant dismissed with prejudice. The diversion agreement shall include specifically the waiver of all rights under the law or the constitution of Kansas or of the United States to a speedy arraignment, preliminary examinations and hearings, and a speedy trial, and in the case of diversion under subsection (c) waiver of the rights to counsel and trial by jury. In addition, the agreement shall include a requirement that the defendant:

(1) Pay a fine specified by the agreement in an amount equal to an amount authorized by K.S.A. 8-1567 or section 2, and amendments thereto, for a first offense or, in lieu of payment of the fine, perform community service specified by the agreement, in accordance with K.S.A. 8-1567 or section 2, and amendments thereto; and

(e) If a diversion agreement is entered into in lieu of further criminal proceedings on a complaint alleging a violation other than K.S.A. 8-1567 or section 2, and amendments thereto, the diversion agreement may include a stipulation, agreed to by the defendant, the defendant's attorney if the defendant is represented by an attorney and the attorney general or county or district attorney, of the facts upon which the charge is based and a provision that if the defendant fails to fulfill the terms of the specific diversion agreement and the criminal proceedings on the complaint are resumed, the proceedings, including any proceedings on appeal, shall be conducted on the record of the stipulation of facts relating to the complaint.

(f) If the person entering into a diversion agreement is a nonresident, the attorney general or county or district attorney shall transmit a copy of the diversion agreement to the division. The division shall forward a copy of the diversion agreement to the motor vehicle administrator of the person's state of residence.

(g) If the attorney general or county or district attorney elects to offer diversion in lieu of further criminal proceedings on the complaint and the defendant agrees to all of the terms of the proposed agreement, the diversion agreement shall be filed with the district court and the district court shall stay further proceedings on the complaint. If the defendant declines to accept diversion, the district court shall resume the criminal proceedings on the complaint.

(h) Except as provided in subsection ~~(h)~~(i), if a diversion agreement is entered into in lieu of further criminal proceedings alleging commission of a misdemeanor by the defendant, while under 21 years of age, under K.S.A. 2011 Supp. 21-5701 through 21-5717, and amendments thereto, or K.S.A. 41-719, 41-727, 41-804, 41-2719 or 41-2720, and amendments thereto, the agreement shall require the defendant to participate in an alcohol and drug evaluation conducted by a licensed provider pursuant to K.S.A. 8-1008, and amendments thereto, and follow any recommendation made by the provider after such evaluation.

EXPLANATION OF VOTE

MR. PRESIDENT: The Conference Committee Report on **H Sub for SB 177** on the Governor's desk is not fiscally responsible. I respect the efforts of Senator Donovan, Senator Apple and Senator Holland, but the current compromise is not acceptable for Kansas needs. I vote no.

A responsible tax plan is still possible. – PETE BRUNGARDT

Senators Owens, Reitz, Schodorf, Teichman, Umbarger and Vratil request the record to show they concur with the "Explanation of Vote" offered by Senator Brungardt on **H Sub for SB 177**.

EXPLANATION OF VOTE

MR. PRESIDENT: Like most of us in this Chamber, I want a tax structure for Kansas that is responsible, pro-growth and competitive. But, at the same time, we need to maintain a balanced budget. We need to take care of our responsibilities. And, we need to look out for the future of our state.

Kansas is emerging from this economic recession in a better position than most states. But, we are not out of the woods yet. This particular plan could turn our balanced budget into a deficit in just five years. I don't think that is the kind of tax relief that will move Kansas forward.

As I've said before, a reasonable plan involves lowering our individual income tax rates and eliminating the income tax on businesses up to \$100,000. We also need to reduce property taxes, reduce sales taxes and adjust HPIP.

Let me reiterate: I want a tax structure for Kansas that is responsible, pro-growth and competitive. I greatly appreciate the hard work that has gone into this plan. But, I hope the conference committee will reconvene today and come back to us with a more reasonable plan that's right for Kansas. – STEPHEN MORRIS

Senators Schodorf, Teichman, Umbarger and Vratil request the record to show they concur with the "Explanation of Vote" offered by Senator Morris on **H Sub for SB 177**.

EXPLANATION OF VOTE

MR. PRESIDENT: The reapportionment map being considered today is being presented merely to create evidence and dicta for courts & Judges to consider. It should be considered as manufactured evidence. This map was drawn in secret by a very limited number of Senators likely fewer than five.

The Abrams map: "For the People #12" was reviewed and given input by a majority of Republican Senators, and perhaps several Democrat Senators, and was altered to include said input. The Steineger map: "Mona Lisa" was reviewed and given input by all 32 Senate Republicans, and at least 4 Senate Democrats, and said map was altered to agree with said input. Neither map involves consolidation of Senate Districts. Openness and inclusiveness are clear signs of a desire to be fair and non partisan.

The Bison map, drawn by few, without input from any majority of Senators, and which results in a consolidation of districts, clearly is gerrymandering and should be rejected. – CHRIS STEINEGER

Senators Masterson and Pilcher-Cook request the record to show they concur with the "Explanation of Vote" offered by Senator Steineger on **S Sub for HB 2087**.

Journal of the Senate

SEVENTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Saturday, May 19, 2012, 10:00 a.m.

The Senate was called to order by President Stephen Morris.
The roll was called with thirty-eight senators present.
Senators Emler and Kelsey were excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

When Senators explain their vote,
They may ask that their remarks
Be spread upon the journal
Which could ignite a spark.

For sometimes other Senators,
Impressed by what was said,
Ask to join in those remarks
Which were on the journal spread.

It occurs to me, O God,
That Your remarks eternal
Have for centuries been spread
Upon Your sacred Journal.

It also then occurs to me
It should ignite in us a spark,
And we should all stand up and say,
“Lord, we join in Your remarks!”

I pray in the Name of Jesus Christ, AMEN

The Pledge of Allegiance was led by President Stephen Morris.

(a) Each year, the state board of education shall determine the amount of state aid for the provision of special education and related services each school district shall receive for the ensuing school year. The amount of such state aid shall be computed by the state board as provided in this section. The state board shall:

(1) Determine the total amount of general fund and local option budgets of all school districts;

(2) subtract from the amount determined in paragraph (1) the total amount attributable to assignment of transportation weighting, program weighting, special education weighting and at-risk pupil weighting to enrollment of all school districts;

(3) divide the remainder obtained in paragraph (2) by the total number of full-time equivalent pupils enrolled in all school districts on September 20;

(4) determine the total full-time equivalent enrollment of exceptional children receiving special education and related services provided by all school districts;

(5) multiply the amount of the quotient obtained in paragraph (3) by the full-time equivalent enrollment determined in paragraph (4);

(6) determine the amount of federal funds received by all school districts for the provision of special education and related services;

(7) determine the amount of revenue received by all school districts rendered under contracts with the state institutions for the provisions of special education and related services by the state institution;

(8) add the amounts determined under paragraphs (6) and (7) to the amount of the product obtained under paragraph (5);

(9) determine the total amount of expenditures of all school districts for the provision of special education and related services;

(10) subtract the amount of the sum obtained under paragraph (8) from the amount determined under paragraph (9); and

(11) multiply the remainder obtained under paragraph (10) by 92%.

The computed amount is the amount of state aid for the provision of special

education and related services aid a school district is entitled to receive for the ensuing school year.

(b) Each school district shall be entitled to receive:

(1) Reimbursement for actual travel allowances paid to special teachers at not to exceed the rate specified under K.S.A. 75-3203, and amendments thereto, for each mile actually traveled during the school year in connection with duties in providing special education or related services for exceptional children; such reimbursement shall be computed by the state board by ascertaining the actual travel allowances paid to special teachers by the school district for the school year and shall be in an amount equal to 80% of such actual travel allowances;

(2) reimbursement in an amount equal to 80% of the actual travel expenses incurred for providing transportation for exceptional children to special education or related services; such reimbursement shall not be paid if such child has been counted in determining the transportation weighting of the district under the provisions of the school district finance and quality performance act;

(3) reimbursement in an amount equal to 80% of the actual expenses incurred for the maintenance of an exceptional child at some place other than the residence of such child for the purpose of providing special education or related services; such reimbursement shall not exceed \$600 per exceptional child per school year; and

(4) ~~subject to the provisions of subsection (f) and~~ except for those school districts entitled to receive reimbursement under subsection (c) or (d), after subtracting the amounts of reimbursement under paragraphs (1), (2) and (3) of this subsection (a) from the total amount appropriated for special education and related services under this act, an amount which bears the same proportion to the remaining amount appropriated as the number of full-time equivalent special teachers who are qualified to provide special education or related services to exceptional children and are employed by the school district for approved special education or related services bears to the total number of such qualified full-time equivalent special teachers employed by all school districts for approved special education or related services.

Each special teacher who is qualified to assist in the provision of special education or related services to exceptional children shall be counted as $\frac{2}{5}$ full-time equivalent special teacher who is qualified to provide special education or related services to exceptional children.

(c) Each school district which has paid amounts for the provision of special education and related services under an interlocal agreement shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services under the interlocal agreement, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all school districts in the current school year who have entered into such interlocal agreement for provision of such special education and related services.

(d) Each contracting school district which has paid amounts for the provision of special education and related services as a member of a cooperative shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount

available for reimbursement for the provision of special education and related services by the cooperative, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all contracting school districts in the current school year by such cooperative for provision of such special education and related services.

~~(2) (A) multiply the quotient obtained under (1) (C) by the full-time equivalent enrollment of the school district in the current school year;~~

~~(C) multiply the quotient obtained under (2) (A) by 1.50. The product is the maximum amount of state aid the district may receive under paragraph (4) of subsection (b) for the current school year.~~

~~(3) If the amount determined under paragraph (4) of subsection (b) is less than the product obtained under (2)(B), the district shall receive state aid in an amount equal to the product obtained under (2)(B), plus any amount determined under paragraph (5) of this subsection.~~

~~(4) If the amount determined under paragraph (4) of subsection (b), plus any amount determined under paragraph (5) of this subsection, is greater than the product obtained under (2)(C), the district shall receive state aid in an amount equal to the product obtained under (2)(C). The balance of state aid remaining after determining the amount of state aid payable to districts under this paragraph shall be reallocated to districts as provided by paragraph (5) of this subsection.~~

The board of regents shall adopt rules and regulations prescribing criteria and guidelines to be applied on a system-wide basis to policies established by the state educational institutions for the purpose of permitting freshman class admissions to the institutions as exceptions to the minimum admissions standards prescribed by this section. The board of regents shall adopt rules and regulations prescribing criteria and guidelines to be applied on a system-wide basis for the purpose of admitting students who have earned at least 24 credit hours of transferable course work to state educational institutions as exceptions to the minimum standards prescribed by this paragraph. On or before January 31 of each year, the board of regents shall submit a report to the legislature containing the number and percentage of transfer student admissions permitted as exceptions to such standards during the preceding academic year. The information contained in the report shall be disaggregated by institution.

(10) (A) For those students admitted under an exception to the minimum admissions standards prescribed by this subsection for academic years 2012-2013 and 2013-2014, each state educational institution may require each such student to adopt an individual plan for success.

(B) For those students admitted under an exception to the minimum admissions standards prescribed by this subsection for academic year 2014-2015 and each academic year thereafter, each state educational institution shall require each such student to adopt an individual plan for success prior to enrollment.

Upon completion of such review, the plan may be revised as mutually agreed to by the student and the student's advisor. Nothing in this paragraph shall be construed as prohibiting any plan from being reviewed at any other time while the student is attending such state educational institution, or from being reviewed more than once during any academic year.

(b) The board of regents may prescribe a precollege curriculum which includes, but need not be limited to, four units of English, three units of mathematics, three units of social studies and three units of natural science.

The determination of a functionally equivalent level of education required under this subsection shall be made by the board of regents after consultation with the state board of education and the board of education or other governing authority having jurisdiction over the students of the affected school.

(d) The board of regents shall determine a level of education that is functionally equivalent to the completion of the precollege curriculum with the required grade point average on a 4.0 scale for persons who are not residents of Kansas.

(e) The board of regents may authorize the chief executive officer of each state educational institution to adopt additional rules and policies relating to admissions of students so long as such rules and policies are not in conflict with the provisions of this section.

(f) The board of regents may adopt rules and regulations establishing standards for the admission of students to state educational institutions that differ from the standards set forth in subsection (a). Rules and regulations adopted pursuant to this subsection that are more rigorous than those set forth in subsection (a) shall not be effective prior to the first day of the fourth academic year following the year in which the rules and regulations are adopted.

In addition to academic coursework, such plan may also address such student's extracurricular activities, financial needs and any other aspect of such student's life which may have a bearing on the student's academic success at the state educational institution. Any such plan may be revised after its initial adoption as mutually agreed to by the student and the student's advisor.

Senators Abrams, Donovan, Emler, Kelsey and Steineger were excused.
The President introduced Chaplain Tony D. Venturella, Director of Communications in the Senate President's office, who delivered the invocation.

Heavenly Father,

The word is today is our last day. Of that we cannot be sure. We realize however that whether it is or isn't, our real Last Day is a rendezvous we shall not miss and for which we shall not be late.

May we have that real last day in perspective and so order our lives, here today, and this week, and as we begin our real lives, in the real world, apart from this place.

As Saint Francis reminds us:

Lord, make me an instrument of your peace.

Where there is hatred, let me sow love.

Where there is injury, pardon.

Where there is doubt, faith.

Where there is despair, hope.

Where there is darkness, light.

Where there is sadness, joy.

Grant that I may not so much seek to be consoled, as to console;

to be understood, as to understand;

to be loved, as to love.

For it is in giving that we receive.

It is in pardoning that we are pardoned,

and it is in dying that we are born to Eternal Life.

This is our hope, our confidence, our trust.

Amen

If the occupations identified in such list are not substantially the same as those occupations identified in the list from the prior year, reasonable notice of such changes shall be provided to school districts, community colleges, technical colleges and the institute of technology.

(e) The state board of regents and the state board of education, jointly, may adopt such rules and regulations necessary to implement and carry out the provisions of this section.

An application for such permission shall be submitted in such form and manner as prescribed by the state board of regents. In reviewing any such application, the state board of regents shall consider the ability and willingness of any postsecondary educational institution located in such service area to offer such career technical education program. If no such career technical education program is offered in such service area and no postsecondary educational institution located in such service area intends to offer such career technical education program, then the board of regents may approve such application to establish such career technical education program. Upon approval of its application by the state board of regents, the governing board of a community college, technical college or institute of technology may purchase or otherwise acquire land or land and improvements in such service area for the purpose of providing such career technical educational program.

(b) The state board of regents may adopt such rules and regulations necessary to administer the provisions of this section.

(c) For purposes of this section:

(1) The terms "career technical education," "community college," "institute of technology" and "technical college" have the same meaning as such terms are defined in K.S.A. 72-4412, and amendments thereto.

(3) "Service area" means: (A) For community colleges, a designated geographic area of the state established pursuant to agreement of the presidents of the community colleges and adopted in policy by the state board of regents; (B) for technical colleges, the territory set forth in the college's plan submitted to the board of regents pursuant to K.S.A. 72-4470a, and amendments thereto; and (C) for the institute of technology, Shawnee county.

(d) The provisions of this section shall take effect and be in force from and after July 1, 2013.

New Sec. 4. (a) The state board of regents shall initiate the development of a statewide articulation agreement on career technical education programs among the

high schools, community colleges, technical colleges and the institute of technology.

(b) For the purposes of this section, the term "articulation agreement" means an agreement entered into to provide for the transferability of substantially equivalent courses of study or programs.

New Sec. 5. On or before January 15, 2014, the state board of education shall prepare a report to the legislature proposing a strategy and proposed plan for providing state aid to career technical education programs or courses in school districts. In preparing such report, the state board of education shall consider the funding scheme under the postsecondary tiered technical education state aid act. The report shall include, but not be limited to, recommendations for legislative changes and estimates of the cost to the state of implementing such changes.

New Sec. 6. (a) If a pupil submits an application for free meals under the national school lunch act on or before the date on which the enrollment of the school district is calculated and it is later determined by the school district or the department of education that the pupil should not have been eligible for free meals, the district or the department shall notify the state board of such determination. Except as provided in subsection (b), upon receipt of such notice, the state board shall recompute the adjusted enrollment of the district and the general fund budget of the district based on the adjusted enrollment of the district excluding the at-risk pupil weighting and high density at-risk pupil weighting, if any, assigned to such pupil.

(b) If a pupil becomes ineligible to receive free meals under the national school lunch act for failure to submit, in a timely manner, any documentation necessary for verification of eligibility as required by the national school lunch act, but subsequently submits such documentation, such pupil shall not be excluded from the calculation of the adjusted enrollment of the district if the district forwards a copy of such documentation to the state board no later than January 14 of the school year.

(c) This section shall be part of and supplemental to the school district finance and quality performance act. This section shall be applicable to school year 2012-2013 and each school year thereafter.

Sec. 7. From and after July 1, 2013, K.S.A. 2011 Supp. 71-201 is hereby amended to read as follows: 71-201. (a) The board of trustees, in accordance with the provisions of law and the rules and regulations of the state board of regents, shall have custody of and be responsible for the property of the community college and shall be responsible for the operation, management and control of the college. The board of trustees shall hold at least one regular meeting each month at a time prescribed by the board. The board shall make an annual report in the manner prescribed by the state board of regents. Members of the board of trustees shall be paid subsistence allowances, mileage and other actual and necessary expenses incurred in the performance of their official duties.

(b) For effectuation of the purposes of this act, the board of trustees in addition to such other powers expressly granted to it by law and subject to the rules and regulations of the state board of regents is hereby granted the following powers:

(1) To select its own chairperson and such other officers as it may deem desirable, from among its own membership. The secretary may be chief administrative officer of the college.

(2) To sue and be sued.

(9) To acquire by gift, purchase, lease-purchase, condemnation or otherwise, and to own, lease, use and operate property, whether real, personal, or mixed, or any interest therein, which is necessary or desirable for community college purposes. Any lease-purchase agreement entered into under authority of this subsection shall be subject to the conditions set forth in K.S.A. 10-1116c, and amendments thereto. The term of any lease entered into under authority of this subsection may be for not to exceed 10 years. Such lease may provide for annual or other payment of rent or rental fees and may obligate the community college to payment of maintenance or other expenses. Any lease or lease-purchase agreement entered into under authority of this subsection shall be subject to change or termination at any time by the legislature. Any assignment of rights in any lease or lease-purchase made under this subsection shall contain a citation of this section and a recitation that the lease or lease-purchase agreement and assignment thereof are subject to change or termination by the legislature. To the extent that the provisions of the cash-basis and budget laws conflict with this subsection in such a manner as to prevent the intention of this subsection from being made effective, the provisions of this subsection shall control. This provision is subject to the provisions of subsection (d).

(10) To enter into lease agreements as lessor of any property, whether real, personal, or mixed, which is owned or controlled by the community college. Any such agreement may specify the purposes for which the property may be used, require that the property be maintained and operated by the lessee, and may contain such restrictions or limitations on the use of the property, be entered into for such period of time, and include such other terms and conditions as the board of trustees determines to be necessary and proper. Every such agreement shall be subject to change or termination at any time by the legislature. Any assignment of rights under any such agreement shall be subject to approval by the board of trustees and shall contain a citation of this section and a recitation that the lease agreement and assignment of rights thereunder are subject to change or termination by the legislature.

(11) To determine that any property owned by the college is no longer necessary for

college purposes and to dispose of the same in such manner and upon such terms and conditions as provided by law.

(12) To exercise the right of eminent domain, pursuant to chapter 26 of the Kansas Statutes Annotated, and amendments thereto.

(13) To make and promulgate such rules and regulations, not inconsistent with the provisions of law or with rules and regulations of the state board of regents, that are necessary and proper for the administration and operation of the community college, and for the conduct of the business of the board of trustees.

(14) To exercise all other powers not inconsistent with the provisions of law or with the rules and regulations of the state board of regents which may be reasonably necessary or incidental to the establishment, maintenance and operation of a community college.

(15) To appoint a member to fill any vacancy on the board of trustees for the balance of the unexpired term. When a vacancy occurs, the board shall publish a notice one time in a newspaper having general circulation in the community college district stating that the vacancy has occurred and that it will be filled by appointment by the board not sooner than 15 days after such publication.

(16) To contract with one or more agencies, either public or private, whether located within or outside the community college district or whether located within or outside the state of Kansas for the conduct by any such agencies of education for students of the community college, and to provide for the payment to any such agencies for their contracted educational services from any funds or moneys of the community college, including funds or moneys received from student tuition and fees, funds received from the state of Kansas or the United States for education, or taxes collected under K.S.A. 71-204, and amendments thereto. The employee designated in any resolution provided for in this subsection receiving such funds shall keep a record of all receipts and expenditures from the fund, and shall from time to time, and at the end of the fiscal year, prepare a statement for the board showing all receipts, expenditures, and the balance in the petty cash fund. The board of trustees may authorize the employee designated to maintain any petty cash fund to make a claim for replenishment of the fund to its original amount in advance of approval by the board of trustees if, at any time during the period between regular monthly meetings of the board of trustees, the balance remaining in the fund is insufficient to make needed expenditures for any purpose for which the petty cash fund is maintained. No petty cash fund may be replenished more than one time during each period between regular monthly meetings of the board of trustees. If a petty cash fund is replenished prior to the end of the fiscal year in accordance with the foregoing authorization, the employee authorized to maintain the petty cash fund shall keep an accurate record of all expenditures made therefrom, and the purpose therefor, and shall submit the record to the board of trustees at the next regular monthly meeting thereof. The petty cash fund shall be replenished by payment from the appropriate funds of the community college to the petty cash fund upon proper claim. The fund shall be kept separate from all other funds and shall be used only for authorized expenditures and

itemized receipts shall be taken for each expenditure. No part of such fund may be loaned or advanced against the salary of an employee. All employees entrusted with such funds under this subsection shall be bonded by the community college district.

(c) Subject to the provisions of subsection (d), the board of trustees may purchase or otherwise acquire land or land and improvements and may acquire, construct, reconstruct, repair or remodel improvements thereon or additions thereto, including furnishings, equipment, and architectural and incidental expense related thereto, and for such purposes the board of trustees is authorized to issue and sell general obligation bonds, the cumulative total not to exceed the following amounts: Where the community college district has a taxable tangible valuation of less than \$90,000,000 or is located in a county designated as urban under the provisions of K.S.A. 19-3524, and amendments thereto, not to exceed 5% of the taxable tangible property of the community college district, and where the community college district has a taxable tangible valuation of more than \$90,000,000 not to exceed 3% except as provided above for any community college district located in a county designated as urban under the provisions of K.S.A. 19-3524, and amendments thereto, of the taxable tangible property of the community college district. If any increase in the valuation of a community college district results in an outstanding bonded indebtedness in excess of that provided in this subsection, such increase shall not constitute a violation of this subsection. No such bonds shall be issued until the question of their issuance shall have been submitted to a vote of the electors of the community college district at a regular election or at a special election called for that purpose and the majority of the electors voting on the proposition in such community college district shall have voted in favor of the issuance of the bonds. Such election shall be called, noticed and held and the bonds issued, sold, delivered and retired in accordance with the provisions of the general bond law except as herein otherwise expressly provided.

(d) ~~(1) Except as provided in section 3, and amendments thereto, the board of trustees of a community college may purchase or otherwise acquire land or land and improvements within: (1)-(A) The community college district; or (2)-(B) the service area of the community college. Nothing in this subsection shall be construed or operate in any manner to require a board of trustees to sell, convey or otherwise dispose of land or land and improvements located outside the community college district or the service area of the community college and owned or being acquired by the community college on the effective date of this act.~~

~~(2) For the purposes of this subsection, "service area" means a designated geographic area of the state established pursuant to agreement of the presidents of the community colleges and adopted in policy by the state board of regents.~~

Nothing in this act shall be construed to amend, repeal or in any way change laws relating to community college student or out-district tuition. Each school year, to the extent there are sufficient moneys appropriated to the career technical education secondary program, the state board of regents shall distribute state funds to community colleges, technical colleges and the Washburn institute of technology for the cost associated with secondary students enrolled in postsecondary career technical education programs as determined by the state board of regents.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote Aye on **House Substitute for SB 294** (budget bill) but with some reservations. In light of our State General Fund positive ending balance, we could have provided more adequate funding to education (both higher and K-12), mental health, aging programs, developmental and physical disability programs, property tax relief, and others that are important to our citizens, communities, and institutions.

Last session I voted against the final budget because it had extensive cuts to K-12 education. It suspended the legislature's commitment to fund years 4 and 5 of "under market pay", and it didn't address waiting lists for developmental and physical disabilities.

This year, our conference committee has negotiated for us a budget with additional funding for K-12 education (although at a reduced amount), continuation of "under market pay" for state employees currently ranked 48th in the nation for pay, and has designated some funding for developmental and physical disability waiting lists. I would also like to thank our conferees for providing additional funding for children's programs, aging programs, and mental health. Our quality of life and community vibrancy are dependent on adequate funding to these and other programs. Thank-you, Mr. President. — ALLEN C. SCHMIDT

(d) An eligible developer borrower shall certify on its loan application that the reduced rate loan will be used exclusively for the expenses involved in building houses.

(e) The eligible lending institution may approve or reject a housing loan deposit loan package based on the lending institution's evaluation of the eligible developer borrowers included in the package, the amount of the individual loan in the package and other appropriate considerations.

(f) The eligible lending institution shall forward to the state treasurer, an approved housing loan deposit loan package, in the form and manner prescribed and approved by the state treasurer. EXPLANATION OF VOTE

MR. PRESIDENT: **H Sub for SB 416** is a necessary interim step to address the abolition of the “Rule of Reason” for vertical price-fixing cases under the Kansas Restraint of Trade Act following the May 4, 2012 decision of the Kansas Supreme Court in the O'Brien case. I vote for this bill, however, with the understanding that its provisions are not retroactive. I also vote for this bill with the understanding that it does not address horizontal price-fixing cases except to the extent, if any, that such cases were addressed in the O'Brien opinion. – JEFF KING

Senators Apple, Lynn, Masterson, Olson, Ostmeyer, Petersen, Pilcher-Cook and Taddiken request the record to show they concur with the “Explanation of Vote” offered by Senator King on **H Sub for SB 416**.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote no because we were not given an opportunity or the time to read or study the actual bill or conference committee report before voting on the measure. I support ag business, but pushing a bill through without being able to read it is bad public policy. – JEAN SCHODORF

Senators Francisco, Kelly and Kultala request the record to show they concur with the “Explanation of Vote” offered by Senator Schodorf on **H Sub for SB 416**.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote aye on this bill because it incorporates a one-year sunset clause and will have close scrutiny during this one year period, but I do so with grave concerns on several issues:

First; we need to take the longer view on **H Sub for SB 416** and its potential impacts. This 11th hour bill short circuits the responsible process of passing legislation that is well-vetted, reliable, and devoid of serious unintended consequences. The proper vetting has not occurred as demonstrated by the same-type industry groups lobbying on opposite sides of the issue.

Secondly; this case isn't even past the deadline for a request for rehearing, and is

currently headed back to District Court for more evidence. It may even head back into the Supreme Court after that. We have interrupted an unfinished judicial process by passing an 11th hour law that may be unnecessary.

Thirdly; I am told by several attorneys that although there are federal antitrust statutes, antitrust law has traditionally been primarily within the realm of the states. This law actually flies in the face of the rights of the state of Kansas. – ALLEN C. SCHMIDT

PROTEST

Senate Bill 291, Senate Bill 416 and violations of the Joint Rules

Pursuant to the provisions of Article 2, Section 10 of the Kansas Constitution, we make formal written protest regarding the passage of **SB 291**, the conference committee report on **SB 416** and violations of the Joint Rules of the Senate and House of Representatives 2011-2012.

One. The House of Representatives repeatedly violated Joint Rule 4(f) by considering **SB 291**, a non-exempt bill, after the second house bill consideration deadline.

The schedule of deadlines for consideration of bills under Joint Rule 4 is mandatory, not discretionary. Under Joint Rule 4, “[t]he senate and house of representatives *shall observe* [emphasis added] the following schedule of deadlines in making request for drafting and in the introduction and *consideration of bills* [emphasis added].

Joint Rule 4(f) provides that “no bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered by either house, not the house of origin of such bill, after the hour of adjournment on March 21, 2012, during the 2012 Regular Session.”

SB 291 is subject to the second house bill consideration deadline because it is not an exempt bill. **SB 291** was introduced in the Senate Judiciary Committee. Upon passage of the Senate, it was introduced in the House Judiciary Committee. It was not “sponsored by, referred to or acted upon” by any exempt committee.

On May 16, 2012, after the March 21, 2012 deadline for consideration for non-exempt bills, the House Judiciary Committee violated Joint Rule 4(f) by considering **SB 291** and recommending **SB 291** be passed. **SB 291** was dead as of March 21, 2012.

On May 18, 2012, the House of Representatives violated Joint Rule 4(f) on three occasions. The House Committee of the Whole amended **SB 291** by adopting amendments offered by Rep. Suellentrop and Rep. Brookings and by rejecting a motion to refer it to the Judiciary Committee by Rep. Burroughs. **SB 291** was dead as of March 21, 2012.

On May 19, 2012, the House of Representatives violated Joint Rule 4(f) by passing **SB 291** as amended on Final Action, 96-18. **SB 291** was dead as of March 21, 2012.

Two. The House of Representatives was in violation of Joint Rule 4(g) by failing to pass by an affirmative vote of not less than a majority of the members of the House a resolution creating a specific exception to the limitation of Joint Rule 4(f) for the purposes of considering **SB 291** in both the House Judiciary Committee and in the House Committee of the Whole.

Three. On May 18, 2012, the House of Representatives could neither waive the bill

consideration deadlines under Rule 4(k) nor vote to suspend the bill consideration deadlines under Rule 4(k) in order for the House Committee of the Whole to consider **SB 291**. **SB 291** was dead as of March 21, 2012 and Rule 4(k) has no effect.

Four. The House of Representatives and Senate are in violation of Joint Rule 3(f) by including in the conference report on **SB 416** subject matters that were not included in **SB 416**, were not included in any conference committee, and which had not been passed or adopted in either one or both houses during the current biennium of the legislature.

SB 416 was introduced by the Senate Commerce Committee. As introduced, the bill related to the state workplace health and safety program and amended K.S.A. 2011 Supp. 44-575. Upon passage by the Senate, the House Committee on Commerce and Economic Development substantially amended the bill. All amended statutory provisions were in chapter 44, and the bill's additional provisions concerned the powers and duties of the secretary of labor, workplace inspections, and employment security law. Upon return of the bill, the Senate requested a conference committee.

It is not disputed that a conference committee on **SB 416** was appropriately requested and convened. However, **SB 416** was entirely gutted and its provisions replaced with those of **SB 291**. **SB 416** dealt with chapter 44 and the powers and duties of the secretary of labor, while **SB 291** amends chapter 50 and the Restraint of Trade Act. The secretary has no regulatory authority under chapter 50-101 et seq.; instead, the Attorney General enforces the Act, or private litigants may bring action. **SB 416** concerns workforce matters, while **SB 291** concerns trade and recent Supreme Court decisions. The subject matter of **SB 291** was never previously contained in **SB 416**. Consequently, the conference report on **SB 416** includes subject matters that were not included in **SB 416** in violation of Joint Rule 3(f).

The House and Senate also violated Joint Rule 3(f) by including in the conference report on **SB 416** subject matters that had not been passed or adopted in either one or both houses, and also by including subject matters that were not in any conference committee. As outlined above, the House passed **SB 291**, a non-exempt bill, in violation of Joint Rule 4(f), after the second house bill consideration deadline. Further, the House failed to pass the necessary resolution suspending the rules as required by Joint Rule 4(g) so that it could consider **SB 291**. Since the House failed to pass **SB 291** or its subject matter, the subject matter of **SB 291** was not properly included in the conference report of **SB 416**.

The subject matter of **SB 291** were not passed, heard, or even introduced in the Senate, since the House's action in the Judiciary Committee was to gut **SB 291** and insert the subject matter of **HB 2797**. Since the subject matter had not been passed or adopted in either one or both houses of the legislature during the biennium, it was not proper to include it in the conference report on **SB 416**, and the conference committee report violated Joint Rule 3(f).

Five. The Revisor Emeritus agrees that **SB 291** was subject to Joint Rule 4(f), was a non-exempt bill, and was dead as of March 21, 2012. The Revisor Emeritus further agrees that Joint Rule 4(k) does not apply to bills that have not met the deadline for consideration for non-exempt bills and does not provide an exception for such bills. In a memo to the Secretary to the Kansas Senate, the Revisor Emeritus states the following:

**“To: Pat Saville Concerning the Status of H Sub for SB 291
From: Norm Furse, Revisor Emeritus**

The question has arisen concerning House amendments to **SB 291**. **SB 291** was introduced by the Senate Committee on Judiciary on 1-18-2012 and was referred to the Judiciary Committee. After a hearing the committee recommended the bill be passed as amended on 1-25-2012. The bill passed the Senate by a vote of 39-0 on 2-2-2012.

In the House the bill was referred to the Committee on Judiciary on 2-7-2012. A hearing on the bill was held by the committee on March 13, 2012, but no action was taken on the bill until May of 2012. On May 16, 2012, a committee report recommending a substitute bill be passed was filed with the House. The House waived Joint Rule 4 (k) for the substitute bill on May 18, 2012, and passed the bill 96 to 18 on May 19, 2012.

The rules problem which you inquired about is this: This bill was introduced by the Senate Judiciary Committee in the Senate, was referred to and worked by the Senate Judiciary Committee and upon receipt of the bill by the House was referred to and worked by the House Committee on Judiciary. The bill has never touched an exempt committee. Because of this the bill is subject to the deadline requirement of subsection (f) of Joint Rule 4 which provides that no bill, except those that have touched an exempt committee, “shall be considered by either house, not the house of origin of such bill” after March 21, 2012. **H Sub for SB 291** is subject to this prohibition of subsection (f) of Joint Rule 4 having never touched an exempt committee and having been considered after March 21, 2012, by the “second” house.

To answer your question specifically: It is my opinion that this bill under the Joint rules is “dead” because it has not touched an exempt committee and it was not considered by the “second” house until long after the March 21, 2012, consideration deadline.

In addition, the waiving of subsection (k) of Joint Rule 4 has no effect on this bill, because it was already “dead” under subsection (f). If subsection (k) is construed to revive bills that have not met the deadlines and are not otherwise exempt, then, in effect, there would be no deadlines in the rules and that is not what the Joint rules say.”

MESSAGE FROM THE GOVERNOR

May 31, 2012

Message to the Senate of the State of Kansas:

I want to thank all Kansas legislators and particularly, the members of the House Appropriations Committee and the Senate Ways and Means Committee, for producing a budget that for the first time in many years meets the statutory requirement of maintaining a 7.5% ending balance. Our state has gone through an incredible transition in just two years: from a projected \$500 million deficit to putting nearly half a billion dollars in the bank. A \$1 billion swing can only occur when we commit ourselves to shrinking the footprint of state government and pursuing policies that grow the economy. I look forward to continuing this prosperous path in the fiscal years to come.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill No. 294 with my signature approving the bill, except for the items enumerated below.

Behavioral Sciences Regulatory Board

Limitation on Expenditures

That portion of Section 12(a) that reads as follows has been line-item vetoed:
“*Provided, however,* That expenditures from the behavioral sciences regulatory board fee fund for the fiscal year ending June 30, 2012, for leased office space shall not exceed \$14.00 per square foot.”

That portion of Section 12(b) that reads as follows has been line-item vetoed:
“*Provided, however,* That expenditures from the behavioral sciences regulatory board fee fund for the fiscal year ending June 30, 2013, for leased office space shall not exceed \$14.00 per square foot.”

Oversight of leased office space is the domain of the Department of Administration. To the extent that we can centrally manage leased space, we can manage our operating costs. These provisions would arbitrarily provide an exception not afforded other agencies and supersede the management function properly placed in the executive branch so I find it necessary to veto them both.

Department of Health & Environment—Environment

Local Environmental Protection Programs

That portion of Section 84(c) that reads as follows has been line-item vetoed:
“Local environmental protection program.....\$800,000

Provided, That any unencumbered balance in the local environmental protection program account in excess of \$100 as of June 30, 2012, is hereby reappropriated for fiscal year 2013.”

The appropriation of \$800,000 from the State Water Plan Fund (SWPF) for the Local Environmental Protection Programs would increase funding beyond my budget recommendations for FY 2013. Funding for this program was not recommended by the Kansas Water Authority nor the Department of Health and Environment, and was not included in my budget. The program was started in the early 1990s for the purpose of providing local governments with technical assistance and grant funds in order to establish environmental programs specifically suited for local priorities. Once the programs were established, the intent was to discontinue the state funding. The addition of \$800,000 in expenditures from the SWPF for FY 2013 would result in a negative balance of approximately \$565,000 in this state fund. Therefore, I hereby line-item veto this provision.

Department of Education

Uniform Accounting Act for Schools

That portion of Section 42(a) that reads as follows has been line-item vetoed:
“Operating expenditures (including official hospitality).....\$50,000”

The 2011 Legislature enacted the Uniform Financial Accounting and Reporting Act for school districts to report expenditures to the Department of Education. This funding was not originally included in my FY 2012 budget recommendations and I believe the agency can develop and maintain this system which is similar to current procedures within current resources. I find it necessary to veto this appropriation.

Department of Revenue

Fee Sweeps

Sections 75(h) and 75(i) have been line-item vetoed in their entirety.

At the direction of the Legislature, the Department of Revenue is now more heavily dependent on fee income for its operations and two of the three fee sweeps included in the appropriations bill are insupportable. For these two, the cash on hand on the date specified will not be sufficient to make such sizable transfers and the agency would not be left with enough funds to function. I am leaving one of the sweeps the agency can manage. The other two sweeps go too far, and I therefore must veto them.

Department of Education

Mentor Teacher Bonuses

That portion of Section 88(a) that reads as follows has been line-item vetoed:
“Mentor teacher program grants.....\$484,337”

I proposed educator quality and mentoring reforms as part of my overall education policy reform for consideration this session, however, the Legislature did not adopt most of these initiatives. For a mentoring bonus program to work properly, it must be done in concert with education reform policy. Without those reforms we fail our educators and their students. Therefore I find it necessary to veto this appropriation and look forward to discussing with the Legislature next session how we can improve teacher performance through mentoring.

Kansas Water Office

Water Resource Education

That portion of Section 114(c) that reads as follows has been line-item vetoed:
“Water resource education..... \$40,000
Provided, That any unencumbered balance in the water resource education account in excess of \$100 as of June 30, 2012, is hereby reappropriated for fiscal year 2013.”

The appropriation of \$40,000 from the State Water Plan Fund for the Water Resource Education program would increase funding beyond my budget recommendations for FY 2013 and would also contribute to a negative balance of approximately \$565,000 in the State Water Plan Fund. Funding for this program was not recommended in my budget. Therefore, I hereby line-item veto this provision.

Wichita Aquifer Storage

Section 114(d) has been line-item vetoed in its entirety.

The additional appropriation of \$500,000 from the Expanded Lottery Act Revenues Fund (ELARF) for the Wichita Aquifer Recharge Project would increase funding beyond my budget recommendations for FY 2013. My FY 2013 budget recommendations included a \$500,000 appropriation from the State Water Plan Fund for the project that demonstrates an effective method to provide for long-term planning related to future water supplies. Furthermore, the use of the ELARF will have to be leveraged as part of a specific debt reduction and budget balancing strategy. Therefore, I hereby line-item veto this provision.

State Fair Board

Enhanced Marketing

Section 113(c) has been line-item vetoed in its entirety.

I included funds in the Department of Commerce budget for a study to examine the feasibility of changing the dates when our State Fair is held. Rather than finance this study, the money was shifted to the Fair for promotion. With the projected negative balance in the Economic Development Initiatives Fund and this change in plan, I veto

the funds. While it does not bring the EDIF into the black, it will be much closer.

Department of Social & Rehabilitation Services and Department on Aging

FMS Fee for HCBS Providers

Section 35(b) has been line-item vetoed in its entirety.

That portion of Section 35(l) that reads as follows has been line-item vetoed:
“Mental health and retardation services aid and assistance.....\$91,429”

That portion of Section 36(a) that reads as follows has been line-item vetoed:
“LTC — medicaid assistance — HCBS/FE.....\$99,634”

Section 122 has been line-item vetoed in its entirety.

The Financial Management System for Medicaid Home and Community Based Services providers was implemented in FY 2012 as required by the Center for Medicare & Medicaid Services. The system pays a \$115 per consumer per month fee to providers for administrative services. The 2012 Legislature appropriated a total of \$385,878 from the State General Fund in the above referenced sections to increase the fee to \$125 for the months from November 2012 to June 2012. This would require retroactive payments that would strain agency resources. No additional funding was approved to continue the increased rate in FY 2013. The agencies set the \$115 fee using a range derived from a study performed by an impartial contractor and by using comparisons with rates paid by other states. The rate is well above the national average and in my opinion is fair payment for services provided. I therefore find it necessary to veto these supplemental appropriations for FY 2012.

Motor Vehicles

Limitations on Acquisitions

Section 119 is vetoed in its entirety.

Agencies purchase vehicles for a variety of reasons and we have a process in place to ensure new purchases are not made unnecessarily. To ensure that agencies have the resources they need to get their work done, I veto this section of the bill.

Kansas Bioscience Authority

Timing of Transfers from the State General Fund

That portion of Section 156(d)(1) that reads as follows has been line-item vetoed:

“During the fiscal years ending June 30, 2013, and June 30, 2014, the state treasurer shall make payments to the bioscience authority on July 15, October 15, January 15 and April 15 in equal installments, subject to the limitations established in subsection (h). If on such dates, during fiscal years 2013 and 2014,

such payments can not be made in equal amounts, the state treasurer shall make the payment in the amount of moneys that is available on such date and upon the next payment date, the state treasurer shall make the payment in an amount equal to the amount that is to be paid on that date plus any additional amount that is owed from a previous date. During the fiscal years ending June 30, 2015, and following fiscal years thereafter, the state treasurer shall make payments to the bioscience authority on July 15, October 15, January 15 and April 15 based on the certification provided by the secretary of revenue.”

In recent years the state has had to delay its quarterly transfers to the Kansas Bioscience Authority from time to time, particularly the November amount, when the State General Fund was low on cash. This was done in cooperation with staff at the Bioscience Authority and was not done in a manner that was intended as punitive or harmful. Because we need to maintain our flexibility in managing the State General Fund cashflow, I veto this provision to require transfers on certain dates. This has the effect of leaving processes as they have been handled up to this point.

Moving Forward

The needs are great, and the people of Kansas, particularly our children, depend on us to put our state on a path of economic growth and prosperity. We took a giant step in the right direction this year. I look forward to continuing to work with the Kansas Legislature to review areas where we can reduce the reach of state government, streamline agencies and programs and focus funding on the state's core responsibilities.

Again, I commend the Legislature for its work during the 2012 session, and I look forward to working with all of you in the coming months and years as we get our state's budget and economy back on track.

Sam Brownback, Governor

VETO SUSTAINED

President Morris announced the time had arrived for reconsideration of the line item vetoes on **H Sub for SB 294**, An act making and concerning appropriations for fiscal years ending June 30, 2012, June 30, 2013, June 30, 2014, June 30, 2015, and June 30, 2016, for state agencies; authorizing and directing payment of certain claims against the state; authorizing certain transfers, capital improvement projects and fees imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2011 Supp. 2-223, 12-5256, 55-193, 72-8814, 74-50,107, 74-99b34, 75-2319, 76-775, 76-783, 76-7,107, 79-2964, 79-2978, 79-2979, 79-3425i, as amended by section 10 of 2012 House Bill No. 2557, 79-34,156, 79-34,171, 79-4227 and 82a-953a and repealing the existing sections.

No motion having been offered to reconsider, President Morris announced the Governor's line items vetoes on **H Sub for SB 294** were declared sustained.

As provided by **SCR 1620**, Senator Emler moved the Senate adjourn Sine Die. The motion prevailed.

President Morris thereupon announced: "By virtue of the authority vested in me as president of the Senate, I now declare the 2012 Session of the Kansas Senate adjourned Sine Die."
