REF: Equine Feed Check-off (Kansas equine and Promotion Act)

FROM: Wheat State Morgan Horse Association

Wheat State Morgan Horse Association requests your support to implement a feed check-off program in the State of Kansas. For too many years, the equine industries in Kansas have been neglected and stagnate. Approval of this check-off program will help the Kansas equine industry to be comparable to the adjoining states equine industries.

Thank you for your assistance in making this check-off a reality.
