### MEMORANDUM

To: Chairman Holmes and members of the House Energy and Utilities Committee  
From: Matt Sterling, Assistant Revisor of Statutes  
Date: February 13, 2012  
Subject: House Bill 2661

HB 2661 concerns municipally-owned or operated utilities. The bill would prevent a city, county or township that owns or operates a utility furnishing water, gas or electricity from incorporating into its rates a charge for any other municipal service, such as police or fire protection, for any customer who did not receive that service.
