To: Representative Gary Hayzlett, Chairman, Committee on Transportation
From: Donna Shelite, Director of Vehicles, Kansas Department of Revenue
Date: February 16, 2012
Subject: HB 2727

Chairman Hayzlett and members of the Committee, I thank you for your time this afternoon. I appear before you today on HB2727. This bill is in many ways a duplicate of HB 2341 in which I presented testimony on last week as well as offered an amendment. As you may recall proponents from the Educational Institutions, the County Treasurer's Association as well as the Division of Vehicles offered testimony in favor of HB 2341.

In light of the fact that HB2727 is offered to accomplish some of what is already offered in HB2341, our preference of these 2 bills would be HB 2341. For these reasons I stand in opposition to HB 2727.

Thank you for your time, and I will be pleased to stand for questions.
