Kansas Community College

2013 Legislative Priorities

1. Fund additional \$8 million for further implementation of the tiered technical education funding model;
2. Fully fund SB 155 – post secondary technical training of secondary students;
3. Extension of tax credit, reinstatement of PEI loans.

Community College Trustee Priority

- Loss of both the PEI and the tax credit options remove our only state assistance for deferred maintenance.
- In 2011, the Community Colleges had 205 tax credit contributors totaling \$2,033,012.09 that helped us repair facilities.
- \$40M of projects improved in 2008 and 2009 PEI bonds.
