The Honorable Clay Aurand, Chairperson  
House Committee on Education  
Statehouse, Room 174-W  
Topeka, Kansas 66612

Dear Representative Aurand:

SUBJECT: Fiscal Note for HB 2004 by Representative Carlson

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2004 is respectfully submitted to your committee.

HB 2004 would amend the school finance law to redefine non-resident pupil. The bill deletes from current law the definition of a non-resident student who lives ten or more miles from the attendance center the pupil would attend in the district in which the pupil resides or is a member of the family of a pupil meeting this same condition. This means that a non-resident student may attend another district regardless of the number of miles the student lives from his or her home attendance center.

HB 2004 would have no fiscal effect on transportation state aid; non-resident students do not receive state funding for transportation.

Sincerely,

Steven J. Anderson CPA, MBA  
Director of the Budget
