The Honorable Pete Brungardt, Chairperson
Senate Committee on Federal and State Affairs
Statehouse, Room 136-E
Topeka, Kansas 66612

Dear Senator Brungardt:

SUBJECT: Fiscal Note for SB 25 by Senate Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning SB 25 is respectfully submitted to your committee.

SB 25 would allow the board of county commissioners of any county and the governing body of any city to issue a "special event retailer's license," by ordinance or resolution, for the purpose of selling and serving cereal malt beverages for consumption on unlicensed premises. The bill would require the license to specify the premises for which the license is issued; the license may be issued for no more than three consecutive days and must include the dates and hours; no more than four licenses may be issued to any one applicant in a calendar year; the license cannot be transferred or reassigned; and any person holding a special event retailer's license is to be considered a licensed retailer. SB 25 would require the Department of Revenue's Director of Alcoholic Beverage Control to propose the rules and regulations necessary to carry out the provisions of the bill.

The Department of Revenue indicates that SB 25 would have no fiscal effect on state revenues or expenditures. Because city and county governments regulate the sale and serving of cereal malt beverages, it lacks the authority to implement the rules and regulations to be enforced.

Sincerely,

Steven J. Anderson, CPA, MBA
Director of the Budget
