10 practitioner in this state until such person has passed an examination by
11 the Kansas dental board under such rules and regulations as the board
12 may adopt. The fee for such examination shall be fixed by the board
13 pursuant to K.S.A. 65-1447, and amendments thereto. A license fee shall
14 be paid to the board in the amount fixed by the board pursuant to K.S.A.
15 65-1447, and amendments thereto.

16 (b) The board shall authorize a person to practice as a registered
17 dental practitioner if such person is qualified under this section, works
18 under the general supervision of a Kansas-licensed dentist pursuant to a
19 written supervising agreement, is licensed by the board, and practices in
20 compliance with this section and rules and regulations adopted by the
21 board.

22 A supervising agreement entered into with a registered dental
23 practitioner must include specific written protocols detailing the scope of
24 practice the supervising dentist authorizes for the registered dental
25 practitioner to perform, and that outlines a course of action when the
26 registered dental practitioner encounters a patient who requires treatment
27 that exceeds the authorized scope of practice of the registered dental
28 practitioner. The supervising dentist must ensure that a dentist is
29 available, in person or through distance technology, to the registered
30 dental practitioner for timely consultation if needed and must either
31 provide or arrange with another dentist or specialist to provide the
32 necessary treatment to any patient who requires more treatment than the
33 registered dental practitioner is authorized to provide.

34 Nothing in this act will prohibit a registered dental practitioner from
35 working under the direct supervision of a Kansas licensed dentist.

36 (c) To be qualified to practice under this section, such person shall:

1 (1) Be a licensed dental hygienist who is also a graduate of a

13 designated professional workforce shortage areas, designated as such
14 under 42 U.S.C. § 254c, indigent health care clinics, nursing homes, head
15 start, federal and state correctional institutions or in private practice
16 where at least 20% of total patient revenues are derived from medicaid.

21 contained in this act. Registered dental practitioners may practice in any
22 other areas or sites where the board determines registered dental
23 practitioners will improve access.

3 supervision" means the supervision of tasks or procedures without the
4 presence of the dentist in the office or on the premises at the time the

6 supervising agreement, so long as those tasks and procedures are within
7 the scope of practice for a registered dental practitioner.

26 appear through the legitimate practice of dentistry as provided for in this
27 act.

28 (b) The board shall also suspend or revoke the license of any

9 continuing education requirements for the renewal of licenses without the
10 payment of any fee for a person who has held a Kansas license to practice

41 protection of the people of the state of Kansas except that for an applicant
42 to practice *dental therapy* or dental hygiene who is returning to active
43 practice after a period of retirement or disability, the board shall authorize

15 applicant as the board deems necessary to assure full compliance with the
16 requirements of this section. Any license so issued may be revoked by the
17 board upon evidence that an applicant has obtained a license under this
18 section through misrepresentation or omission of a material fact in the
19 application or other information submitted to the board.

20 (b) Each applicant for licensure under this section must evidence the
21 qualifications and meet the following requirements:

36 experience of the applicant.

37 (5) The applicant shall provide such other information concerning

13 more than one other state in the United States, the applicant shall file a
14 similar certificate with respect to such period or periods during which the
15 applicant has practiced in each such state.

17 before the board at a date, time and place to be determined by the Kansas
