SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2652

As Amended by House Committee on Education
Budget

Brief*

HB 2652, as amended, would amend current law to allow persons in military service, persons who are domiciliary residents of the state at the time of enrollment, were in active military service for at least 36 months before becoming domiciliary residents of the state, and have been discharged or retired from military service under honorable conditions to pay resident tuition rates.

The Division of the Budget indicates that the fiscal impact of the bill is unknown.

Background

Representative Paul Davis, as well as representatives from the University of Kansas Collegiate Veterans Association and the American Legion, spoke in support of the bill.

There were no opponents.

The Committee on Education Budget made a technical amendment to the title of the bill, changing "tuition" to "fees."
