

SESSION OF 2012

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 270**

As Amended by Senate Committee on Federal  
and State Affairs

**Brief\***

SB 270, as amended, would allow the Secretary of Revenue to release or publish certain charitable gaming information obtained in bingo licensee applications, registration, and renewals. The information would be limited to the name, address, phone number, license or registration number, and email address of the organization, distributor, or premise lessor.

**Background**

A representative of the Kansas Department of Revenue testified that, by statute, all bingo licensed organizations are required to purchase their paper from a licensed distributor. However, statute prohibits the Department from releasing information regarding licensed distributors.

No opponents testified against the bill.

According to the Kansas Department of Revenue, the fiscal note would have a negligible fiscal effect.
