

2012 Kansas Statutes

12-1,119. Consolidated street and highway fund; transfer of moneys; use of moneys. The governing body of any city may provide, by ordinance, for a consolidated street and highway fund to which may be credited moneys received by the city from state payments under the provisions of K.S.A. 68-416 and 79-3425c, and amendments thereto. The ordinance creating such fund also may provide for annually budgeting the transfer of moneys in the general or other operating funds of the city budgeted for street and highway purposes to the consolidated street and highway fund. Moneys in such fund shall be used solely for street and highway purposes. Moneys received pursuant to subsection (a) of K.S.A. 68-416, and amendments thereto, and credited to such fund shall be used solely for the maintenance of streets and highways in the city designated by the secretary of transportation as city connecting links.
