

2012 Kansas Statutes

12-1792. Same; special fund. Any city which has established a business improvement district shall establish a special fund for each such district, which shall be subject to the cash basis, budget and other laws of this state in the same manner as other city funds. Any gifts or grants to the city for the purpose of providing services or facilities within an improvement district may be deposited in such fund and may be expended outside the budget law. Moneys in other funds of the city may be advanced to the special fund provided reimbursement is made to the fund from which the money was advanced prior to the end of the fiscal year.
