

2012 Kansas Statutes

12-2807. Use of street or public way; ordinance. The authority shall have the right, but not exclusive of the public right, to use any public road, street or other public way in the metropolitan area for transportation of passengers. The authority shall not have the right to use any street or other public way in any city, village or incorporated town for local transportation of passengers within any such municipality, unless and until authorized so to do by an ordinance passed by the corporate authorities of such municipality.

History: L. 1955, ch. 118, § 7; April 13.
