

2012 Kansas Statutes

12-5502. Same; contract with private contractor. Any municipality may contract with a private contractor to furnish in accordance with a service agreement any capital intensive public service which the municipality is authorized by law to furnish and for that purpose a municipality may exercise any and all of the powers provided in this act.

History: L. 1990, ch. 64, § 2; July 1.
