

2012 Kansas Statutes

13-13a36. Same; rules and regulations; posting speed limits. The board may adopt and enforce rules and regulations governing the parking of motor vehicles upon the roads, streets, driveways and parking facilities of the university and also rules and regulations prescribing speed limits on the roads, streets, driveways and grounds of the university. The rules and regulations prescribing speed limits shall be publicly posted at or on roads, streets, driveways, grounds or parking facilities to which they are applicable and in the manner prescribed by the board.

History: L. 1982, ch. 82, § 2; July 1.
