

2012 Kansas Statutes

19-3804. Records of organization; filing. It shall be the duty of the board of county commissioners incorporating any industrial district under the provisions of this act to cause an entry to be made upon its records showing all of its declarations, findings, decisions and orders made pursuant to the preceding sections, which entry shall define the limits of the incorporated industrial district and shall recite in *haec verba* the statements as to the restrictions on use of the lands included in the industrial district which are contained in the petition approved by the board of county commissioners. All declarations, determinations, findings, decisions and orders of such board of county commissioners so entered of record shall be conclusive on all persons and of the corporate existence of such industrial district, and shall as to the restrictions thereby imposed on use of the lands included in the industrial district have the effect of covenants running with the land for so long as such land or any part of it shall remain within the industrial district. A copy of such findings, decisions and orders shall be filed for record with the register of deeds of the county in which such industrial district is located and a copy thereof shall also be filed in the office of the secretary of state of the state of Kansas.
