24-630. Subdistrict where land separated from drainage; petition. If any person who owns land within the drainage district which has been assessed for benefits and which is separated from the ditch, drain or watercourse for which it has been assessed, by the land of another or others, shall desire to ditch or drain his said land across the land of such other or others into such ditch, drain or watercourse and shall be unable to agree with such other or others on the terms and conditions on which he may enter upon their lands and construct such drain or ditch, he may proceed in the manner in this act provided, and the ditch or drain which he shall construct or cause to be constructed shall be considered to be conducive to the public health, welfare, convenience and utility to promote which said drainage district was established.

He may file his petition with the clerk of the district court asking the said court to establish a subdistrict within the limits of the original district for the purpose of securing more complete drainage, describing the lands to be affected thereby by metes and bounds or otherwise so as to convey an intelligent description of such lands; and all proceedings shall be the same as herein provided for the establishment, formation and construction of original districts and improvements thereof including the assessment of damages, the assessment of benefits and when established and constructed, it shall be and become a part of the drainage system of such drainage district and be under the control and supervision of the board of supervisors.
