

2012 Kansas Statutes

58-1021. Same; inventory of goods sold; copy to director of revenue. Within ten (10) days after the last day of said public auction, the applicant shall file in duplicate with the clerk who issued the license an inventory of all goods, wares and merchandise sold at such auction and the price received therefor, which inventory shall be verified by the person who filed the application for the license with the said clerk. The clerk shall immediately after receiving such report and inventory forward a copy thereof to the director of revenue, state office building, Topeka, Kansas.

History: L. 1961, ch. 265, § 8; July 1.
