

2012 Kansas Statutes

65-1,118. Act not to effect mode of treatment. Nothing in this act shall be construed or operate to empower or authorize the secretary to restrict in any manner the right of a physician to recommend a mode of treatment for diabetes mellitus or to restrict in any manner an individual's right to select the mode of treatment of his or her choice.

History: L. 1980, ch. 178, § 5; July 1.
