

2012 Kansas Statutes

68-1609. Same; conveyance of title to state; pledge of tolls. The secretary of transportation, on behalf and in the name of the state of Kansas, is hereby authorized to take and accept conveyance of title to and ownership of any such bridge, or part thereof, situated within the state of Kansas, subject to any encumbrance against any such bridge and pledge of its tolls previously executed, but not in assumption of any such encumbrance or part thereof existing upon or against any such bridge at the time of such conveyance. And such acceptance of title to and ownership of the same shall not in any manner create any liability, present or future upon or against the state of Kansas or the secretary of transportation thereof, for the payment or assumption of any such encumbrance or any part thereof.
