72-4488. Career technical education programs located outside service area. (a) Provided a particular career technical education program is not offered in a particular service area, the governing board of a community college, technical college or institute of technology located outside such service area, in coordination with one or more school districts located within such service area, may apply to the state board of regents for permission to establish such career technical education program to be taught at a location in such service area.
