

2012 Kansas Statutes

72-5333. Contracts to provide education for military dependents. The board of education of any school district may enter into written contracts with the proper authorities of any military reservation or establishment all or part of which is in such school district for the maintenance, supervision and operation of public school facilities by providing for elementary or secondary schooling of dependents of military and civilian personnel on such reservation or establishment.

In carrying out the provisions of this act, such boards of education may accept and expend federal and other moneys, employ school and other personnel and do all things necessary to carry out the intent and purposes of this act and the contracts entered into pursuant thereto.

History: L. 1949, ch. 393, § 1; L. 1970, ch. 281, § 1; July 1.
