2012 Kansas Statutes

72-6413. Program weighting; use of moneys derived from weighting. (a) The program weighting of each district shall be determined by the state board as follows:

(1) Compute full time equivalent enrollment in programs of bilingual education and multiply the computed enrollment by .395;

(2) compute full time equivalent enrollment in approved vocational education programs and multiply the computed enrollment by 0.5;

(3) add the products obtained under (1) and (2). The sum is the program weighting of the district.

(b) A school district may expend amounts received from the bilingual weighting to pay the cost of providing at-risk and preschool-aged at-risk education programs and services.
