

2012 Kansas Statutes

73-706. Display of United States flag by public institution. Every person or board having under its jurisdiction the main administration building of any public institution in this state shall have the flag of the United States of America displayed on said main administration building each day except that the flag need not be so displayed when the weather is inclement.

History: L. 1939, ch. 309, § 2; June 30.
