

2012 Kansas Statutes

73-1236. Same; annual study by legislative budget committee; reports by veterans service organizations. The legislative budget committee shall annually study and review the veterans claims assistance program and the service grants program of the Kansas commission on veterans affairs under this act. The Kansas commission on veterans affairs and each veterans service organization which is receiving service grants under this section shall prepare and present annual reports of activities and expenditures under the veterans claims assistance program and the service grants program.

History: L. 2006, ch. 153, § 3; April 27.
