

2012 Kansas Statutes

74-7033. Engineering; exemptions from requirements for licensure or certification. The provisions of this act requiring licensure or the issuance of a certificate of authorization under K.S.A. 74-7036 and amendments thereto to engage in the practice of engineering shall not be construed to prevent or to affect:

(a) Except as provided by subsection (b), the design or erection of any structure or work by a person who owns the structure or work, upon such person's own premises for such person's own use if the structure or work is not to be used for human habitation, is not to serve as a place of employment, and is not to be open to the public for any purpose whatsoever.

(b) Persons designing or erecting or preparing plans, drawings or specifications for one or two family dwellings or for agricultural buildings, as defined by K.S.A. 74-7031 and amendments thereto.

(c) Persons engaged in planning, drafting and designing of products manufactured for resale to the public.

(d) The performance of services by a licensed landscape architect in connection with landscape and site planning for the sites, approaches or environment for buildings, structures or facilities.
