75-4918. Incentive grants; formula for determination of amounts. (a) For the fiscal year ending June 30, 1997, two incentive grant fund amounts shall be established from the grant pools under subsection (a) of K.S.A. 75-4916 and amendments thereto as follows: A television incentive grant fund amount consisting of 15% of the grant pool for television, and a radio incentive grant fund amount consisting of 15% of the grant pool for radio. Each eligible station shall receive an annual incentive grant amounting to a pro rata share of the incentive grant fund amount for which the station is eligible. This share shall bear the same proportion to the incentive grant fund amount from which the share is allocated as the station's per capita earned revenue bore in the second prior fiscal year to the aggregate per capita earned revenue of all eligible stations in such incentive grant fund amount for the same period.

(b) For the fiscal year ending June 30, 1998, and for each fiscal year thereafter, each eligible station shall receive an annual incentive grant which shall be equal to a pro rata share of the total amount in the grant pool for incentive grants determined under subsection (b)(2) of K.S.A. 75-4916 and amendments thereto; this share shall bear the same proportion to the total amount in the grant pool for incentive grants as the station's per capita earned revenue bore in the second prior fiscal year to the aggregate per capita earned revenue of all eligible stations for the same period.
