

2012 Kansas Statutes

75-5667. Disclosure statement for trauma patient. To aid the purposes of K.S.A. 2012 Supp. 75-5663 through 75-5666, and amendments thereto, one of the documents given to the trauma patient or responsible party accompanying the trauma patient shall contain a disclosure statement stating that nonidentifying data regarding the trauma injury and trauma care may be reported to a central registry to facilitate better prevention and care of trauma injuries.

History: L. 1999, ch. 127, § 5; July 1.
