

2012 Kansas Statutes

75-5956. Same; accessibility of services; application; procedure. The secretary of aging shall ensure statewide service access is available in a timely manner and shall adopt an application procedure for long-term care services which presumes the eligibility of persons applying for long-term care services from the date of application.

History: L. 1996, ch. 271, § 18; July 1.
