

2012 Kansas Statutes

75-7210. Same; reports to legislative branch. (a) Not later than October 1 of each year, the executive, judicial and legislative chief information technology officers shall submit to the joint committee and to the legislative research department all information technology project budget estimates and amendments and revisions thereto, all three-year plans and all deviations from the state information technology architecture submitted to such officers pursuant to K.S.A. 2012 Supp. 75-7209, and amendments thereto. The legislative chief information technology officer shall review all such estimates and amendments and revisions thereto, plans and deviations and shall make recommendations to the joint committee regarding the merit thereof and appropriations therefor.

(b) The executive and judicial chief information technology officers shall report to the legislative chief information technology officer, at times agreed upon by the three officers:

(1) Progress regarding implementation of information technology projects of state agencies within the executive and judicial branches of state government; and

(2) all proposed expenditures for such projects, including all revisions to such proposed expenditures, for the current fiscal year and for ensuing fiscal years.
