

2012 Kansas Statutes

76-2024. Same; custodian. That upon the taking over of said property by the state, the governor shall designate the state historical society the custodian thereof, and he or she shall direct the secretary of the state historical society to take such action as said secretary shall deem necessary and advisable for the proper preservation, restoration, care and maintenance of said property.

History: L. 1951, ch. 440, § 2; April 4.
