

2012 Kansas Statutes

82a-2312. Same; releases of water. (a) The chief engineer shall protect releases of water from the kanopolis reservoir for water supply access storage as may be necessary to effectuate the purposes of the releases made pursuant to this act and for the benefit of the district members for whom such releases are made.

(b) The Kansas water office shall communicate to the chief engineer the date and quantity of such release, the district member or members for whom such release is made and such other information as the chief engineer may request to insure protection of the release.

History: L. 2011, ch. 89, § 12; July 1.
