Re: Support for SB 130

Thank you for the opportunity to appear today in support of SB 130. The League of Kansas Municipalities (LKM) has a long standing policy in support of increased investment choices for local governments. The 2013 *Statement of Municipal Policy* reads as follows:

- **Banking and Investment Restrictions.** We support maximum banking and investment choices for local government. At a minimum all cities, counties, and school districts should have the same banking and investment authority that the State has granted to itself.

For this reason, we appear today in support of the expanded authority granted by SB 130. I would be happy to stand for questions at the appropriate time.
