

Joint Committee Meeting on Kansas Security

Kansas Criminal Justice Information System (KCJIS)

What is KCJIS?

- KCJIS is a 24/7/365 secure electronic information service which connects different aspects of the criminal justice community and some agency's outside the criminal justice community.
 - There is only one connection per state, Kansas Bureau of Investigation (KBI)
 - Some of the federal criminal justice systems are the FBI Interstate Identification Index (III), National Crime Information Center (NCIC) and National Instant Criminal Background Check System (NICS)
 - Kansas Criminal History Information (KBI)
 - Kansas Driving Records and Kansas Vehicle Registration (KDOR)
 - Kansas Warrants, Protection Orders, Stolen Property
 - KDOT Crash Reports
 - Kansas Highway Patrol is the CJIS System Agency (CSA)
 - Captain of Troop M, Captain Bramlett, is the CJIS System Officer (CSO) for Kansas
 - International Justice for Public Safety Network (NLETS)
 - Used for out of state drivers license and registration information is securely transmitted
 - Connection to Interpol and Canadian drivers license and registration information

KCJIS Committee

- The mission of the KCJIS Committee is to establish, maintain, upgrade and enhance the criminal justice information system as authorized. The committee is composed of 10 different representatives from different portions of the criminal justice community. (K.S.A. 74-5701)
 - Secretary of Administration (Co-Chair of Committee), Sara Shipman
 - Kansas Association of Chiefs of Police, Ed Klumpp
 - Kansas Sheriff's Association, Captain Lance Royer (Shawnee County)
 - Association of Public Safety Communications Officials (APCO), Bill Duggan (Lyon County)
