

SESSION OF 2016

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 480**

As Recommended by Senate Committee on  
Corrections and Juvenile Justice

**Brief\***

SB 480 would amend provisions requiring parolees and persons on postrelease supervision to be (and agree to be) subject to search and seizure by certain officers or under certain circumstances by replacing “search and seizure” with “searches of the person and the person’s effects, vehicle, residence and property.” The same change would be made in provisions requiring the Prisoner Review Board to make certain related orders.

The bill would be in effect upon publication in the *Kansas Register*.

**Background**

The bill was introduced by the Senate Committee on Federal and State Affairs. In the hearing before the Senate Committee on Corrections and Juvenile Justice, a representative of the Office of the Attorney General testified in support of the bill, stating the bill would clarify the law in light of the Kansas Court of Appeals’ recent decision in *State v. Toliver* and would mirror the statutory guidelines for probationers. The interim Secretary of Corrections submitted written testimony supporting the bill. There was no neutral or opponent testimony.

According to the fiscal note prepared by the Division of the Budget, the Office of Judicial Administration indicates any fiscal effect of the bill on the Judicial Branch would be negligible. Any fiscal effect is not reflected in *The FY 2017 Governor’s Budget Report*.
