

HB 2384 Opponent testimony – in person
House Taxation Committee
Removing sales tax exemption on certain services
Dave Trabert - President
March 21, 2017

Chairman Johnson and Members of the Committee,

We appreciate this opportunity to testify in opposition to HB 2384, which would remove the sales tax exemption on certain services.

We applaud the effort to remove sales tax exemptions and broaden the base but believe the resulting revenue should be used to reduce the sales tax rate or some other tax. As explained multiple times on other tax bills, Kansas can balance the budget without any tax increases.

Thank you for your consideration.
