8 growth capital and credit-eligible capital contributions allowed under
9 subsection (b); or

10 (6) the secretary determines that the applicant does not satisfy any

12 promulgated by the secretary.

13 (d) If the secretary denies an application, the applicant may provide
14 additional information within 15 days of the notice of denial to the

17 determination within 30 days of receiving all additional information to be
18 considered before approving any pending applications submitted after the
19 denied applicant's original submission date. The secretary shall not deny
20 an application or reduce the requested growth capital for reasons other
21 than those described under subsection (b) or (c).

22 (e) If the application is approved, the secretary shall provide written
23 notice to the applicant stating:

24 (1) The applicant is an approved investment company; and

25 (2) the approved amount of the growth capital.

26 (f) (1) After receiving notice of approval from the department
27 pursuant to subsection (e), an approved investment company shall within

29 (A) Collect the credit-eligible capital contributions from each investor
30 whose affidavit was listed in the application; and

31 (B) collect one or more investments of cash that, if added to credit-
32 eligible capital contributions, equal the approved investment company's
33 growth capital and deliver to the department documentation sufficient to
34 prove that such amounts have been collected.

35 (2) If the approved investment company fails to fully comply with the
36 provisions of paragraph (1), the approved investment company's approval
37 shall lapse and the lapsed corresponding growth capital and credit-eligible
38 capital contributions previously approved by the secretary shall not count
39 toward the total growth capital and credit-eligible capital contribution
40 limits of subsection (b). The secretary shall first award lapsed growth
41 capital pro rata to each approved investment company that was awarded
42 less than its requested growth capital in the order in which the application
43 was received. Each approved recipient investment company may allocate

1 such awarded growth capital to its investors in its discretion. Any
2 remaining growth capital and available tax credits may be awarded by the
3 secretary to successful new applicants.

4 (g) Application fees submitted to the department shall be deposited in
5 the state treasury and credited to the ad astra rural jobs fund. No other fee
6 shall be charged for the administration of tax credits by the department or
7 the department of revenue. If necessary, the department may request and,
8 subject to appropriation acts, shall receive appropriations necessary to
9 implement and administer the program.

10 (h) The department shall provide a copy of the notice required in
11 subsection (e) to the department of revenue.

12 Sec. 5. An approved investment company, before making a funding,
13 shall request a written opinion from the department stating whether the
14 business in which it proposes to invest is a rural business concern. The
15 department shall respond to a request with its determination within 30
16 business days of receiving such request. If the department fails to respond
17 within 30 business days of receiving the request, the business for which
18 determination is sought shall be considered a rural business concern. The
19 department's determination shall govern whether the business is
20 considered a rural business concern for purposes of sections 1 through 11,
21 and amendments thereto, except for a failure of a rural business concern to
22 complete and maintain any agreed relocations of its principal business
23 operations or for fraud.

24 Sec. 6. (a) There shall be allowed as a credit against the tax liability
25 of a taxpayer subject to the tax imposed under the Kansas income tax act,
26 the annual tax on net income pursuant to article 11 of chapter 79 of the
27 Kansas Statutes Annotated, and amendments thereto, or the premium tax
28 and privilege fees imposed pursuant to K.S.A. 40-252, and amendments
29 thereto, for taxpayers that make a credit-eligible capital contribution to an
30 approved investment company and that receive a tax credit certificate
31 issued under this section. The credit shall not be sold, transferred or
32 allocated to any other entity, except an affiliate.

33 (b) The taxpayer shall earn a vested credit equal to the amount of the
34 taxpayer's credit-eligible capital contribution to the approved investment
35 company upon providing documentation to the department of the
36 contribution. Upon review and approval of the documentation, the
37 department shall issue a tax credit certificate in the amount of the tax
38 credit approval by the department to the taxpayer. The taxpayer may claim
39 an amount up to 20% of the tax credit certificate authorized under this
40 section for each of the five tax years beginning on or after July 1, 2019,
41 exclusive of amounts carried forward under subsection (c).

42 (c) If the amount of the tax credit exceeds the taxpayer's tax liability
43 for the taxable year, the amount thereof which exceeds the tax liability

1 may be carried forward for deduction from the taxpayer's tax liability in
2 the succeeding taxable year or years until the total amount of the tax credit
3 has been deducted from tax liability, except that no such tax credit shall be
4 carried forward for deduction after the fifth taxable year succeeding the
5 taxable year in which such credit initially was claimed.

6 (d) The maximum amount of credits claimed in any one fiscal year by
7 all taxpayers pursuant to this section shall not exceed \$20,000,000,
8 exclusive of amounts carried forward under subsection (c).

9 Sec. 7. (a) The secretary shall revoke a tax credit certificate issued
10 under section 6, and amendments thereto, upon a determination by the
11 secretary of commerce that any of the following occur with respect to an
12 approved investment company before it exits the program in accordance
13 with subsection (f):

14 (1) The approved investment company does not invest 100% of its
15 growth capital in funding within two years of the closing date;

16 (2) the approved investment company, after investing 100% of its
17 growth capital in funding, fails to maintain that investment for the five
18 years after the closing date. An investment that is sold or repaid, in whole
19 or in part, shall be deemed maintained if the approved investment
20 company reinvests an amount equal to the returned or recovered portion,
21 excluding any profits realized, in other funding within 12 months of the
22 receipt of the returned or recovered portion;

23 (3) the approved investment company, before exiting the program,
24 makes a distribution or payment that results in the approved investment
25 fund having less than 100% of its growth capital invested in fundings or
26 available for investment in fundings and held as cash or other marketable
27 securities;

28 (4) the approved investment company invests more than 20% of its
29 growth capital in the same rural business concern, including amounts
30 invested in affiliates of such rural business concern;

31 (5) the approved investment company invests funding in a rural
32 business concern that, directly or indirectly through an affiliate, owns, has
33 the right to acquire an ownership interest in, makes a loan to, or makes an
34 investment in the approved investment company, an affiliate of the
35 approved investment company, or an investor in the approved investment
36 company. This paragraph shall not apply to investments in publicly traded
37 securities by a rural business concern or an owner or affiliate of such rural
38 business concern. For purposes of this paragraph, an approved investment
39 company shall not be considered an affiliate of a rural business concern
40 solely as a result of its funding; or

41 (6) the approved investment company invests funding in a rural
42 business concern that fails to meet or maintain an agreed relocation of its
43 principal business operations.

1 (b) Before revoking one or more tax credit certificates pursuant to
2 subsection (a), the secretary shall notify the approved investment company
3 of the reasons for the pending revocation. The approved investment
4 company shall have 90 days from the date of such notice to correct the
5 violations to the satisfaction of the secretary and avoid revocation of the
6 tax credit certificate. The approved investment company shall be charged
7 \$5,000 per day for each day taken after 90 days to correct the violations,
8 and such amounts shall be deposited in the state treasury to the credit of
9 the ad astra rural jobs fund.

10 (c) If the secretary revokes a tax credit certificate, the department of
11 revenue shall make an assessment for the amount of the credit claimed by
12 the certificate holder before the certificate was revoked.

13 (d) If tax credit certificates are revoked under this section, the
14 associated growth capital and credit-eligible capital contributions do not
15 count toward the limit on total growth capital and credit-eligible capital
16 contributions described under section 4(b), and amendments thereto. The
17 secretary shall first award reverted growth capital pro rata to each
18 approved investment company that was awarded less than its requested
19 growth capital. Any remaining growth capital may be awarded by the
20 department to new approved investment companies.

21 Sec. 8. (a) After five calendar years from the closing date, an
22 approved investment company shall be allowed to leave the program if
23 none of the approved investment company's tax credit certificates were
24 revoked or are pending revocation. The secretary shall release an approved
25 investment company from the program and the regulations of sections 1
26 through 11, and amendments thereto, within 60 days of receiving a request
27 to exit.

28 (b) If the ~~actual revenue impact from its funding~~ **number of jobs**
29 **created or retained by the rural business concerns that received**
30 **fundings from an approved investment fund** through the date of the
31 proposed distribution is:

32 (1) Less than 60% of the amount projected in the approved
33 investment fund's business plan filed as part of its application for
34 certification, then the state shall receive 30% of any distribution or
35 payment to an equity holder in an approved investment fund in excess of
36 the sum of the amount of equity capital invested in the approved
37 investment fund by such equity holder and an amount equal to any
38 projected increase in the equity holder's federal or state tax liability,
39 including penalties and interest, related to the equity holder's ownership,
40 management or operation of the approved investment fund;

41 (2) greater than 60% but less than 100% of the amount projected in
42 the approved investment fund's business plan filed as part of its application
43 for certification, then the state shall receive 15% of any distribution or

1 payment to an equity holder in an approved investment fund in excess of
2 the sum of the amount of equity capital invested in the approved
3 investment fund by such equity holder and an amount equal to any
4 projected increase in the equity holder's federal or state tax liability,
5 including penalties and interest, related to the equity holder's ownership,
6 management or operation of the approved investment fund; or

7 (3) equal to or greater than the amount projected in the approved
8 investment fund's business plan filed as part of its application for
9 certification, then the state shall receive 0% of any distribution or payment
10 to an equity holder in an approved investment fund in excess of the sum of
11 the amount of equity capital invested in the approved investment fund by
12 such equity holder and an amount equal to any projected increase in the
13 equity holder's federal or state tax liability, including penalties and interest,
14 related to the equity holder's ownership, management or operation of the
15 approved investment fund.

16 (c) The secretary shall not revoke a tax credit certificate due to any
17 actions of an approved investment company that occur after the date the
18 department acknowledges an approved investment company's exit from
19 the program.

20 (d) Moneys received by the secretary pursuant to this section shall be
21 deposited in the state treasury to the credit of the ad astra rural jobs fund.

22 Sec. 9. (a) Each approved investment company shall submit a report
23 to the department on or before the fifth business day after the second
24 anniversary of the closing date containing:

25 (1) The approved investment company's bank statements evidencing
26 each funding;

27 (2) the name and location of each business receiving funding,
28 including evidence that the business qualified as a rural business concern
29 at the time the investment was made;

30 (3) the number of employment positions created or retained as a
31 result of the approved investment company's fundings as of December 31st
32 of the preceding year; and

33 (4) other information necessary for the department to administer the
34 program.

35 (b) On or before April 30th of each year following the year in which
36 the report required under subsection (a) is due, the approved investment
37 company shall submit an annual report to the department containing:

38 (1) The number of employment positions created or retained as a
39 result of the approved investment company's fundings as of December 31st
40 of the preceding calendar year;

41 (2) the average annual salary of such positions; and

42 (3) any other information required by the department.

43 Sec. 10. The secretary of revenue and the secretary of commerce may

1 promulgate rules and regulations to implement the provisions of the ad
2 astra rural jobs act.

3 Sec. 11. (a) Except as provided in subsection (b), the provisions of the
4 ad astra rural jobs act shall sunset on December 31 of the sixth year
5 following the effective date of this act.

6 (b) Nothing in this section shall be construed so as to preclude a
7 taxpayer that makes a qualified equity investment prior to the sunset of the
8 ad astra rural jobs act from claiming tax credits relating to such qualified
9 equity investment for each credit allowance date.

10 Sec. 12. This act shall take effect and be in force from and after its
11 publication in the statute book.
