8 Section 1. K.S.A. 2017 Supp. 8-240 is hereby amended to read as
9 follows: 8-240. (a) (1) Every application for an instruction permit shall be
10 made upon a form furnished by the division of vehicles and accompanied
11 by a fee of \$2 for class A, B, C or M and \$5 for all commercial classes.
12 Every other application shall be made upon a form furnished by the
13 division and accompanied by an examination fee of \$3, unless a different
14 fee is required by K.S.A. 8-241, and amendments thereto, and by the
15 proper fee for the license for which the application is made. All
16 commercial class applicants shall be charged a \$15 driving test fee for the
17 drive test portion of the commercial driver's license application. If the
18 applicant is not required to take an examination or the commercial license
19 drive test, the examination or commercial drive test fee shall not be
20 required. The examination shall consist of three tests, as follows: (A)
21 Vision; (B) written; and (C) driving. For a commercial driver's license, the
22 drive test shall consist of three components, as follows: (A) Pre-trip; (B)
23 skills test; and (C) road test. If the applicant fails the vision test, the
24 applicant may have correction of vision made and take the vision test
25 again without any additional fee. If an applicant fails the written test, the

27 examination fee of \$1.50. If an applicant fails the driving test, the
28 applicant may take such test again upon the payment of an additional
29 examination fee of \$1.50. If an applicant for a commercial driver's license
30 fails any portion of the commercial drive test, the applicant may take such
31 test again upon the payment of an additional drive test fee of \$10. If an
32 applicant fails to pass all three of the tests within a period of six months
33 from the date of original application and desires to take additional tests,
34 the applicant shall file an application for reexamination upon a form
35 furnished by the division, which shall be accompanied by a reexamination
36 fee of \$3, except that any applicant who fails to pass the written or driving

1 portion of an examination four times within a six-month period, shall be
2 required to wait a period of six months from the date of the last failed
3 examination before additional examinations may be given. Upon the filing
4 of such application and the payment of such reexamination fee, the
5 applicant shall be entitled to reexamination in like manner and subject to
6 the additional fees and time limitation as provided for examination on an
7 original application. If the applicant passes the reexamination, the
8 applicant shall be issued the classified driver's license for which the

15 for the issuance of an original license, the license shall be renewed without
16 examination of the applicant's driving ability. If the division finds that any
17 of the statements relating to revocation, suspension or refusal of licenses
18 required under ~~subsection (b) of~~ K.S.A. 8-240(b), and amendments
19 thereto, are in the affirmative, or if it finds that the license held by the
20 applicant is not a valid one, or if the applicant has failed to make
21 application for renewal of such person's license on or before the expiration
22 date thereof, the division may require the applicant to take an examination
23 of ability to exercise ordinary and reasonable control in the operation of a

39 on a form provided by the division.

40 (2) In lieu of the examination of the applicant's eyesight by the
41 examiner, the applicant may submit a report on the examination of

43 licensed optometrist. The report shall be based on an examination of the

3 the applicant.

5 examination or report is sufficient for renewal of the license and, if the
6 results of the eyesight examination or report is insufficient, the division
7 shall notify the applicant of such fact and return the license fee. In
8 determining the sufficiency of an applicant's eyesight, the division may
9 request an advisory opinion of the medical advisory board, which is
10 hereby authorized to render such opinions.

11 (4) An applicant who is denied a license under this subsection (e)
12 may reapply for renewal of such person's driver's license, except that if
13 such application is not made within 90 days of the date the division sent
14 notice to the applicant that the license would not be renewed, the applicant
15 shall proceed as if applying for an original driver's license.

16 (5) When the division has good cause to believe that an applicant for
17 renewal of a driver's license is incompetent or otherwise not qualified to
18 operate a motor vehicle in accord with the public safety and welfare, the
19 division may require such applicant to submit to such additional
20 examinations as are necessary to determine that the applicant is qualified
21 to receive the license applied for. Subject to paragraph (6) ~~of this~~
22 ~~subsection~~, in so evaluating such qualifications, the division may request
23 an advisory opinion of the medical advisory board which is hereby
24 authorized to render such opinions in addition to its duties prescribed by
25 ~~subsection (b) of K.S.A. 8-255b(b)~~, and amendments thereto. Any such
26 applicant who is denied the renewal of such a driver's license because of a
27 mental or physical disability shall be afforded a hearing in the manner
