Re: HB 2601

Dear Education Committee Members,

I am writing to you to ask you to support Representative Huebert's bill HB2601. As a Kansan, I am against any vaccine mandates and against letting a corrupt, pharma funded agency like the KDHE have any say in them. Mandating vaccines violates the religious freedoms that I am guaranteed in the United States of America.

Sincerely,  
Cassi Baltuska
