Testimony of the Kansas Association of Counties to the
House Committee on Taxation
Proponent Testimony on SB 262 • March 11, 2020

Mr. Chairman and Members of the Committee:

Thank you for allowing the Kansas Association of Counties to offer testimony regarding SB 262, which would change the timing of requesting a full and complete opinion from the board of tax appeals.

Right now, the clock for requesting a full and complete opinion does not begin until the aggrieved party receives the board's decision. This bill would change the language so that the clock started running after service of the board's decision.

KAC supports this bill as amended by the Senate committee. By extending the number of days from 14 to 21, this should allow ample time for all interested parties to request a full and complete opinion.

Thank you for your time and consideration.

Respectfully,

Jay Hall
Kansas Association of Counties
