The Honorable Jene Vickrey, Chairperson
House Committee on Insurance
Statehouse, Room 276-W
Topeka, Kansas 66612

Dear Representative Vickrey:

SUBJECT: Fiscal Note for HB 2055 by House Committee on Insurance

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2055 is respectfully submitted to your committee.

HB 2055 would remove “any other qualified trade, merchant, retail, or professional association or business” from the list of entities that are not subject to the jurisdiction of the Commissioner of Insurance. The bill would also remove the requirement that an association must be in existence for at least five calendar years and that an association must have at least five employees. In addition, the bill would make several technical amendments to current statute.

The Insurance Department indicates that enactment of HB 2055 may result in entities converting fully-insured health plans to new association health plans. This likely would result in a decline in premium tax collections because the carriers of fully-insured plans pay a premium tax of 2.0 percent or 5.77 percent whereas the carriers of association health plans pay a 1.0 percent premium tax. However, the fiscal effect cannot be estimated as the number of entities that would convert fully-insured health plans to association health plans is unknown. Any fiscal effect associated with HB 2055 is not reflected in *The FY 2020 Governor’s Budget Report*.

Sincerely,

Larry L. Campbell
Director of the Budget
