The Honorable Jene Vickrey, Chairperson  
House Committee on Insurance  
Statehouse, Room 276-W  
Topeka, Kansas 66612

Dear Representative Vickrey:

**SUBJECT:** Fiscal Note for HB 2083 by House Committee on Insurance

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2083 is respectfully submitted to your committee.

HB 2083 would establish a minimum course duration of four hours for motor vehicle accident prevention courses. The bill would also clarify that state or federal agencies may approve motor vehicle accident prevention courses in addition to the National Safety Council.

According to the Insurance Department, enactment of HB 2083 would have no fiscal effect on the agency because the bill does not designate or authorize the Insurance Department to be responsible for the review of the motor vehicle accident prevention courses.

Sincerely,

Larry L. Campbell  
Director of the Budget
