In accordance with KSA 75-3715a, the following fiscal note concerning HB 2289 is respectfully submitted to your committee.

HB 2289 would streamline existing law to make references to private carriers of property refer to private and public carriers of property, household goods or passengers or refer globally to “carriers.” The bill would also make a number of technical corrections to existing law.

According to the Kansas Corporation Commission, enactment of HB 2289 would have no fiscal effect on agency expenditures or revenues.
