The Honorable Richard Proehl, Chairperson
House Committee on Transportation
Statehouse, Room 581B-W
Topeka, Kansas 66612

Dear Representative Proehl:

SUBJECT: Fiscal Note for HB 2614 by Representative Holscher, et al.

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2614 is respectfully submitted to your committee.

HB 2614 would amend existing law concerning transportation network drivers to require them to display official trade dress while in vehicles. "Trade dress" is defined by the bill as consistent and distinctive signage or emblems established by and associated with a transportation network company that is attached to a personal vehicle and will reasonably assist riders in identifying the driver. In addition, the bill would require a transportation network company, before permitting an individual to act as a driver on its digital network, to issue the driver the appropriate trade dress.

According to the Kansas Corporation Commission, enactment of HB 2614 would have no fiscal effect on agency operations.

Sincerely,

Larry L. Campbell
Director of the Budget
