Dear Senator Masterson:

SUBJECT: Fiscal Note for SB 124 by Senate Committee on Ways and Means

In accordance with KSA 75-3715a, the following fiscal note concerning SB 124 is respectfully submitted to your committee.

SB 124 would amend the Energy Fairness Act to prohibit any utility providing electrical service in Kansas from basing any rate, joint rate, toll, charge or classification or schedule of charges on different energy usage patterns of a distributed generation retail customer.

According to the Kansas Corporation Commission, enactment of SB 124 would have no fiscal effect on agency expenditures or revenues.

Sincerely,
