The Honorable Ty Masterson, Chairperson
Senate Committee on Utilities
Statehouse, Room 224-E
Topeka, Kansas 66612

Dear Senator Masterson:

SUBJECT: Fiscal Note for SB 171 by Senate Committee on Utilities

In accordance with KSA 75-3715a, the following fiscal note concerning SB 171 is respectfully submitted to your committee.

SB 171 would revise the repayment period for Kansas public water supply loans from 20 years to 40 years to match the America's Water Infrastructure Act of 2018. The bill would also set the maximum level of lead allowed in pipes and pipe fittings to 0.25 percent to match the Safe Drinking Water Act.

The Kansas Department of Health and Environment indicates that SB 171 would have no fiscal effect.

Sincerely,

A handwritten signature in black ink that reads "L. L. Campbell". The signature is written in a cursive style with a large, sweeping initial "L".
