The Honorable Dan Kerschen, Chairperson
Senate Committee on Agriculture and Natural Resources
Statehouse, Room 225-E
Topeka, Kansas 66612

Dear Senator Kerschen:

SUBJECT: Fiscal Note for SB 270 by Senate Committee on Agriculture and Natural Resources

In accordance with KSA 75-3715a, the following fiscal note concerning SB 270 is respectfully submitted to your committee.

SB 270 would amend existing law regarding multi-year flex accounts by changing the conditions for determining eligibility for these accounts for water right owners who did not have a perfected water right by 2009. The bill would allow those water right owners to use net irrigation requirements as a substitute for past use in order to establish flex account totals.

The Kansas Department of Agriculture states that enactment of SB 270 would have no effect on agency expenditures or revenues.

Sincerely,

Larry L. Campbell
Division of the Budget
