The Honorable Bud Estes, Chairperson
Senate Committee on Federal and State Affairs
Statehouse, Room 136-E
Topeka, Kansas 66612

Dear Senator Estes:

SUBJECT: Fiscal Note for SB 432 by Senate Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning SB 432 is respectfully submitted to your committee.

SB 432 would clarify that a special order shipping license would commence the date specified on the license rather than the date the license was issued by the Director of Alcoholic Beverage Control. The bill would also require special order shipping licensees to electronically remit gallonage taxes on a quarterly basis.

The Department of Revenue indicates SB 432 would increase information technology expenditures by \$3,500 in FY 2021. However, if the combined effect of implementing this bill and other enacted legislation exceeds the Department's programming resources, or if the time for implementing the changes is too short, expenditures for outside contract programmer services beyond the Department's current budget may be required. Any fiscal effect associated with SB 432 is not reflected in *The FY 2021 Governor's Budget Report*.

Sincerely,

Larry L. Campbell
Director of the Budget
