

February 26, 2020

The Honorable Gene Suellentrop, Chairperson
Senate Committee on Public Health and Welfare
Statehouse, Room 441B-E
Topeka, Kansas 66612

Dear Senator Suellentrop:

SUBJECT: Fiscal Note for SB 463 by Senate Committee on Ways and Means

In accordance with KSA 75-3715a, the following fiscal note concerning SB 463 is respectfully submitted to your committee.

SB 463 would provide the requirements for use of hand-held portable x-ray systems and would eliminate some x-ray safety requirements in current regulations for multiple different types of x-ray use in Kansas.

The Kansas Department of Health and Environment indicates that SB 463 would have no fiscal effect on the agency. The bill does not add any new requirements, tasks, or responsibilities which are not already being performed by staff in the Kansas Radiation Control Program.

Sincerely,

Larry L. Campbell
Director of the Budget
